**Subject:** FW: Citizen Request to Address Council

FYI

Frank Ingersoll has called and been in the office lately (within the last week) expressing his concerns about the Polk County Supervisors and the recent incident reported in the media which, he believes, questions the separation of church and state at the county level in Polk County. He is extremely passionate about this issue and would like to address Council as a whole on July 23<sup>rd</sup>. He would also like the City to bring a law suit against Polk County for these actions.
