Subject: skatepark signage

Hi Diana,

Could you get me on the agenda for the City Council to discuss signage for the Lauridsen Skatepark that has been obligated by the large contributions that these entities have made? The immediate action that we need approved is the naming rights for two large runs for Prairie Meadows and the Community Foundation. We will have other naming opportunities that have been pledged but until we finalize the design we won't be able to share the exact plans inside the park for these naming rights with the City. Examples would be permanent shade areas, steps, flow runs, etc. We hope to have all other naming rights wrapped up by October 1 but do need to take action on the two large runs immediately. Please let me know what else you need from me to proceed with putting this on the agenda?
