Re: Proof of Insurance

This letter is in reference to the request for proof of insurance from the City of Des Moines, Iowa regarding the loan of ship model USS Des Moines-CA134 for public display at the Municipal Services Center Hall.

The City of Des Moines is self-insured for liability coverages, including bodily injury and property damage, up to \$2,000,000 per occurrence, with an excess liability policy for claims that exceed that amount. The City is also self-insured for the first \$1,250,000 of any Workers Compensation claim and purchases excess insurance to cover any loss exceeding that amount. The City's self-insurance program is backed by the full faith and credit of the City through its ability to levy taxes to meet its financial obligations.

The City requests that the City's self-insurance/excess insurance program be accepted as satisfying your insurance requirements. Notification will be provided if there are any changes to City coverage.

Sincerely,

Dear Ms. Rauh,

The Naval Sea Systems Command is pleased to be able to offer you the loan of our exhibition ship model for another year. Contract N00024-81-C-0205 is scheduled to expire on March 26, 2019.

To easily extend the loan agreement, sign **both** copies of Supplement No. 33 and return one of them along with a current Certificate of Insurance. The Certificate of Insurance should reflect the requirement to provide 30 days advance written notice of any policy cancellation. It should also show adequate Fine Arts coverage, reflecting the current value as stated on the enclosed supplement, and Bodily Injury Liability coverage in the amount of \$300,000.00, per occurrence. Please keep one copy of the supplement for your records.

Your prompt attention to this matter is greatly appreciated. It is our hope that you continue to enjoy the models, and we look forward to receiving your reply. We can be reached on (202) 781-4832 if you have any questions.

Sincerely,
