A RESOLUTION DIRECTING THE CITY MANAGER TO WORK EXPEDITIOUSLY ON THREE CITY SIDEWALK SEGMENTS

WHEREAS, numerous gaps exist between existing sidewalks, the filling of which would alleviate concerns about the public health and safety and make travel and movement more efficient and effective in the specific areas referenced in Exhibit A; and

WHEREAS, the condition of the public fisc prevents filling of all gaps throughout the City immediately, but the City Council wishes to fill gaps going forward and has taken great steps to advance this objective; and

WHEREAS, the City Council has made the determination that several sidewalk segments shown in the attached Exhibit A should be given high priority by the City Manager and the Manager's staff and staff should work expeditiously on developing those sidewalks referenced therein.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Des Moines, Iowa:

That the City Manager is hereby directed to work expeditiously on developing the sidewalk segments identified in Exhibit A, which is attached hereto and incorporated herein by this reference thereto and the City Manager shall report back to the City Council from time to time on the expeditious progress that the City Manager and the Manager's staff are making in such development.

Moved by _____ to adopt.

EXHIBIT A

1. Howe Elementary sidewalks (shown in pink, as green are included in 2019 projects). This is a vastly underserved school area and will provide necessary safety for students and families immediately. Further, a planned park at Weeks will be connected to the residential neighborhood.

2. Hubbell Avenue from relocated East Douglas to E 3rd. This connects the new sidewalks along Hubbell, which abruptly ends, to business center, parks, schools and amenities.

3. Hickman Road (request from Merle Hay NA). Connecting citizens to the new Hy Vee Fast and Fresh and to Hillis Elementary. Further, to the closest park (Tower) and Library (Franklin).
