STAFF REPORT TO THE PLANNING COMMISSION

I. GENERAL INFORMATION

1. **Purpose of Request:** The proposed rezoning would allow the applicant to expand the business they operate on the property to the west (4975 Hubbell Avenue) to the subject property.
2. **Size of Site:** 79,230 square feet or 1.82 acres.
3. **Existing Zoning (site):** "A-1" Agricultural District.
4. **Existing Land Use (site):** Light industrial including a 8,040-square foot building.
5. **Adjacent Land Use and Zoning:**
 - North** – Unincorporated Highway 65 By-pass right-of-way.
 - South** – Unincorporated Highway 65 By-pass right-of-way and land zoned "A-1" that contains a light industrial and agricultural production uses.
 - East** – Unincorporated Highway 65 By-pass right-of-way.
 - West** – Limited "M-1"; Use is light industrial.
6. **General Neighborhood/Area Land Uses:** The subject property is located on the north side of East Broadway Avenue between the Hubbell Avenue and Highway 65 Bypass intersections. The surrounding area primarily consist of light industrial and commercial uses. It is located at the edge of the City limits in the northeast quadrant of Des Moines.
7. **Applicable Recognized Neighborhood(s):** The subject property is not located within 250 feet of a recognized neighborhood. All neighborhood associations were notified of the public hearing by mailing of the Preliminary Agenda on May 31, 2019 and a Final Agenda on June 14, 2019. Additionally, separate notifications of the hearing for this specific item were mailed on May 31, 2019 (20 days prior to the public hearing) and June 10, 2019 (10 days prior to the public hearing) to the primary titleholder on file with the Polk County Assessor for each property within 250 feet of the site. All agendas and notices are mailed to the primary contact(s) designated by the recognized neighborhood association to the City of Des Moines Neighborhood Development Division.
8. **Relevant Zoning History:** The applicant operates a light industrial business on the property to the west (4975 Hubbell Avenue). The proposed rezoning would allow that business to expand onto the subject property. The existing site was rezoned from "A-1" District to Limited "M-1" District by the City Council on February 27, 2012, by Ordinance Number 15,088. The rezoning was subject to the following conditions:

- 1) Permitted uses shall be limited to the following:

- a) Sales and service of recreational vehicles and refrigerated semi-tractor trailers, and above-ground storage tanks of petroleum.
 - b) Uses allowed in the C-2 District, excluding adult entertainment businesses, off-premises advertising signs, delayed deposit services and pawn shops.
 - c) Uses allowed in the C-3 and C-3A District, excluding assembly and packaging of small components; and manufacturing, packaging, and storage of dairy products.
 - d) Storage yards, and communication towers and antennas as permitted in the M-1 District.
- 2) Any outdoor storage or vehicle display shall occur on a paved asphalt or Portland cement concrete surface.

9. PlanDSM Creating Our Tomorrow Future Land Use Plan Designation: Industrial.

10. Applicable Regulations: Taking into consideration the criteria set forth in Chapter 18B of the Iowa Code, the Commission reviews all proposals to amend zoning boundaries or regulations within the City of Des Moines. Such amendments must be in conformance with the Comprehensive Plan for the City and designed to meet the criteria in 414.3 of the Iowa Code. The Commission may make recommendations to the City Council on conditions to be made in addition to the existing regulations so long as the subject property owner agrees to them in writing. The recommendation of the Commission will be forwarded to the City Council.

II. ADDITIONAL APPLICABLE INFORMATION

- 1. PlanDSM Creating Our Tomorrow Future Land Use Plan Designation:** The subject property is designated as "Industrial" on the Future Land Use Map. This designation "accommodates industrial development and limited supporting commercial uses; development in the classification could have a large impact on adjoining properties and the environment which would need to be mitigated." Staff is supportive of the request, so long as the allowed uses are limited by the conditions found in Section III of the report. The subject property is located at a gateway into Des Moines. As such, some uses allowed by the "M-1" District are not appropriate and a higher level of landscaping is warranted.
- 2. Site Plan Requirements:** The proposed expansion of the applicant's existing business requires the submittal of a Site Plan and for the site to be brought into conformance with current standards including storm water management and landscaping.
- 3. Access:** The subject property has access to East Broadway Avenue. In addition, the applicant's existing site to the west has access to Hubbell Avenue. The site has frontage along the Highway 65 Bypass.
- 4. Utilities:** Public storm sewer is not available to serve the property. The existing building is served by a sanitary sewer line and water line in the East Broadway Avenue right-of-way.

Reason for opposing or approving this request may be listed below:

Rueter Corp. has intentions of rezoning its property in the future—possibly to M-1, Light Industrial and feel this change across the road from our property is a good fit for the future use of the area.
