WHEREAS, the Public Works Department is working with the Fourmile creek Watershed partners for ongoing planning of implementation of the Lower Fourmile Creek Greenbelt Master Plan which includes determining how to treat areas, such as street right-of-way, upon their anticipated vacation and abandonment to restore such land to natural resource areas; and

WHEREAS, Iowa State University (ISU) and the Public Works Department desire that ISU test various natural restoration options for partial and complete pavement removal on a section of East 41st Street which abuts only property which has been purchased in previous flood buyouts and transferred to the Polk County Conservation Board; and
