**Gray Street Concrete Culvert Rehabilitation**

Mr. Becker,

As we discussed, the video company (HydroMax) we originally submitted is extremely busy and it may be another two weeks for them to be able to video our project.

We have contacted Smith Sewer Services, which you are familiar, and they are trying to schedule the videoing this week; if not, next week. I will let you know.

In talking with Smith Sewer Services, they will professionally video the culvert and provide the video on flash drive.

Please call with any questions you may have.

Respectfully Submitted,  
Albert F. Pugliese
