STAFF REPORT TO THE PLANNING COMMISSION

I. GENERAL INFORMATION

1. **Purpose of Request:** The applicant is seeking to convert hotel buildings to multiple household living uses. The “MX3” Mixed Use District only allows household living units on upper floors only per the City Code Table 134-3.1-1. The requested “RX2” Mixed Use District allows household living on all floors.

2. **Size of Site:** 1.8 acres.

3. **Existing Zoning (site):** “MX3” Mixed Use District.

4. **Existing Land Use (site):** Lodging: Hotel/Motel.

5. **Adjacent Land Use and Zoning:**

North – “N3a”; Uses are vacant land and One Household dwellings.

South – “MX3” & “MX3-V”, Uses are Restaurant with drive-through window (McDonald’s) and Financial Service with drive-through (Great Western Bank).

East – “MX3-V”; Use is vacant restaurant.

West – “MX3”; Use is Retail, General (Cash Saver).

6. **General Neighborhood/Area Land Uses:** The subject property located on the U.S. Highway 6/East Euclid Avenue corridor, just west of the East 14th Street/U.S. Highway 69 corridor. It contains a mix of Commercial and Industrial uses surrounded by mixed densities of Residential uses.

7. **Applicable Recognized Neighborhood(s):** The subject property is in the Highland Park Neighborhood. The neighborhood association was notified of the hearing by mailing of the Preliminary Agenda on January 29, 2021 and by mailing of the Final Agenda on February 12, 2021. Additionally, separate notifications of the hearing for this specific item were mailed January 29, 2021 (20 days prior to the hearing) and February 28, 2021 (10 days prior to the hearing) to the Highland Park Neighborhood Association and to the primary titleholder on file with the Polk County Assessor for

each property within 250 feet of the site.

All agendas and notices are mailed to the primary contact(s) designated by the recognized neighborhood association to the City of Des Moines Neighborhood Development Division on the date of the mailing. The Highland Park Neighborhood Association notices were mailed to Ashley Kennebeck, 3818 7th Street, Des Moines, IA 50313.

8. **Relevant Zoning History:** The subject property was zoned to “MX3” Mixed Use District as part of the citywide Zoning Ordinance and Map update effective on December 16, 2019.
9. **PlanDSM: Creating Our Tomorrow Plan Land Use Plan Designation:** Community Mixed Use within a Community Node.
10. **Applicable Regulations:** Taking into consideration the criteria set forth in Chapter 18B of the Iowa Code, the Commission reviews all proposals to amend zoning boundaries or regulations within the City of Des Moines. Such amendments must be in conformance with the comprehensive plan for the City and designed to meet the criteria in 414.3 of the Iowa Code. The Commission may make recommendations to the City Council on conditions to be made in addition to the existing regulations so long as the subject property owner agrees to them in writing. The recommendation of the Commission will be forwarded to the City Council.

II. ADDITIONAL APPLICABLE INFORMATION

1. **PlanDSM Creating Our Tomorrow:** The subject property is designated “Community Mixed Use” within a Community Node. Plan DSM describes this designation as follows:

Community Mixed Use

Small- to medium-scale mixed use development, located on high capacity transit corridors or at the intersection of transportation corridors. Community mixed use areas include both a mix of medium density residential and a mix of retail and service establishments designed to attract customers from a large service area encompassing multiple neighborhoods and may include specialty retail that attracts regional customers.

Residential Land Use Density is also boosted to allow High Density Residential when Community Mixed Use is within a Community Node.

High Density Residential

Areas developed with primarily higher intensity multi-family housing with a minimum density over 17 dwelling units per net acre.

Based on these designations, the proposed “RX2” Mixed Use District zoning would be found in conformance with the Comprehensive Plan with densities in excess of 17 units per acre. The unit density proposed by the applicant would be over 35 units per acres. Staff believes the proposed rezoning is appropriate given the location of the subject property on a high-volume transportation corridor.

2. **Planning and Design Ordinance:** Any conversion from Lodging, Hotel to Multiple Household Living must comply with all applicable Site Plan and Design regulations of the Chapter 135 Planning and Design Ordinance. The “RX2” Mixed Use District would allow for the review under the General Building Type requirements in Chapter 135, Section 135-2.7.
3. **Staff Rationale:** Staff believes that the proposed conversion of the properties is appropriate given their location within a Community Node. The existing buildings lend themselves to the proposed conversion of use and are arranged readily for household living units. PlanDSM contemplates density within nodes and provides opportunities for affordable housing within close proximity to a range of services.
