STAFF REPORT TO THE PLANNING COMMISSION

I. GENERAL INFORMATION

1. **Purpose of Request:** The applicant is seeking to reuse the existing building, formerly a Taco Bell with drive-through, for a restaurant.

2. **Size of Site:** 41,481 square feet (0.952 acres).

3. **Existing Zoning (site):** “I1” Industrial District.

4. **Existing Land Use (site):** Vacant Building for Restaurant use.

5. **Adjacent Land Use and Zoning:**

North – “Eastgate Legacy PUD”; Uses are vacant land and Fueling Station with Limited Retail Sales use (Quik Trip).

South – “I1”, Use is Warehouse use (Midwest Wheel).

East – “I1”; Use is Vehicle Rental use (Enterprise).

West – “MX3”; Use is Restaurant with Drive-Through (Hardee’s).

6. **General Neighborhood/Area Land Uses:** The subject property located on the U.S. Highway 6 / East Euclid Avenue corridor, just east of the East 14th Street / U.S. Highway 69 corridor. It contains a mix of Commercial and Industrial uses.

7. **Applicable Recognized Neighborhood(s):** The subject property is in the Highland Park Neighborhood. The neighborhood association was notified of the hearing by mailing of the Preliminary Agenda on February 26, 2021 and by mailing of the Final Agenda on March 12, 2021. Additionally, separate notifications of the hearing for this

specific item were mailed February 26, 2021 (20 days prior to the hearing) and March 8, 2021 (10 days prior to the hearing) to the Highland Park Neighborhood Association and to the primary titleholder on file with the Polk County Assessor for each property within 250 feet of the site.

All agendas and notices are mailed to the primary contact(s) designated by the recognized neighborhood association to the City of Des Moines on the date of the mailing. The Highland Park Neighborhood Association notices were mailed to Ashley Kennebeck, 3818 7th Street, Des Moines, IA 50313.

8. **Relevant Zoning History:** The subject property was zoned to “I1” Industrial District as part of the citywide Zoning Ordinance and Map update effective on December 16, 2019.
9. **PlanDSM: Creating Our Tomorrow Plan Land Use Plan Designation:** Industrial within a Community Node.
10. **Applicable Regulations:** Taking into consideration the criteria set forth in Chapter 18B of the Iowa Code, the Commission reviews all proposals to amend zoning boundaries or regulations within the City of Des Moines. Such amendments must be in conformance with the comprehensive plan for the City and designed to meet the criteria in 414.3 of the Iowa Code. The Commission may make recommendations to the City Council on conditions to be made in addition to the existing regulations so long as the subject property owner agrees to them in writing. The recommendation of the Commission will be forwarded to the City Council.

II. ADDITIONAL APPLICABLE INFORMATION

1. **PlanDSM Creating Our Tomorrow:** The subject property is designated “Industrial” within a Community Node. Plan DSM describes this designation as follows:

Industrial

Accommodates industrial development and limited supporting commercial uses. Development in this classification could have a large impact on adjoining properties and the environment which would need to be mitigated.

The requested amendment would be to the “Community Mixed Use” within a Community Node.

Community Mixed Use

Small- to medium-scale mixed use development, located on high capacity transit corridors or at the intersection of transportation corridors. Community mixed use areas include both a mix of medium density residential and a mix of retail and service establishments designed to attract customers from a large service area encompassing multiple neighborhoods and may include specialty retail that attracts regional customers.

Based on these designations, the proposed “MX3” Mixed Use District zoning would be found not in conformance with the Comprehensive Plan unless the requested amendment were to be approved. Staff believes the proposed rezoning is appropriate

given the location of the subject property on a high-volume transportation corridor and given that the subject property is in a transition between Industrial and Mixed Use. The adjacent property to the west carries the same requested “Community Mixed Use” future land use designation and “MX3” Mixed Use District zoning.

2. **Planning and Design Ordinance:** Any re-occupancy for a Restaurant use must comply with all applicable Site Plan and Design regulations of the Chapter 135 Planning and Design Ordinance.
3. **Staff Rationale:** Staff believes that the proposed future land use designation amendment and rezoning are appropriate. The existing building is purposed for the proposed use. PlanDSM contemplates a mix of commercial, residential, and industrial uses within close proximity to nodes and near major corridors.

SUMMARY OF DISCUSSION

Dory Briles asked if any member of the public or the commission desired to speak on the item. No one requested to speak.

Jann Freed made a motion for approval of Part A) the proposed rezoning to “MX3” Mixed Use District be found **not** in conformance with the PlanDSM: Creating Our Tomorrow Plan Land Use Plan designation of Industrial within a Community Node, Part B) **APPROVAL** of the requested amendment to the PlanDSM: Creating Our Tomorrow Plan Land Use Plan designation from Industrial within a Community Node to Community Mixed Use within a Community Node and Part C) **APPROVAL** of requested rezoning the subject property from “I1” Industrial District to “MX3” Mixed Use District.
