RESOLUTION SETTING HEARING ON REQUEST FROM MENARD, INC. TO AMEND PLANDSM FUTURE LAND USE DESIGNATION FOR PROPERTY LOCATED AT 5907 SOUTHEAST 8TH STREET AND 801 HART AVENUE, AND TO REZONE PROPERTY LOCATED AT 6000 SOUTHEAST 14TH STREET, 5907, 5911 AND 5917 SOUTHEAST 8TH STREET, AND 801 HART AVENUE

WHEREAS, the City Plan and Zoning Commission has advised that at a public hearing held on May 6, 2021, its members voted 11-1 in support of a motion to recommend **APPROVAL** of a request from Menard, Inc. (owner), represented by Theron Berg (officer), to amend the PlanDSM: Creating Our Tomorrow future land use designation for real property locally known as 5907 Southeast 8th Street and 801 Hart Avenue from Community Mixed Use within a Community Node to Low Density Residential within a Community Node for the purposes stated below; and

WHEREAS, the City Plan and Zoning Commission has further advised that its members voted 11-1 in support of a motion to recommend **APPROVAL** of a request from Menard, Inc. (owner), represented by Theron Berg (officer), to allow the rezoning of 5907 Southeast 8th Street and portions of 801 Hart Avenue from Limited CX-V Mixed Use District to N3a Neighborhood District to allow retention of two single-household residences that are no longer proposed for redevelopment, and to allow the rezoning of real property locally known as 6000 Southeast 14th Street, and 5911 and 5917 Southeast 8th Street, from Limited CX-V Mixed Use District to revised Limited CX-V Mixed Use District to revise the zoning conditions contained in Ordinance 15,929 related to the proposed Large-Format Retail Sales Use on said property, with said revised zoning conditions as follows:

1. The development shall be carried out in accordance with the Large-Scale Development Plan presented to the Plan and Zoning Commission on May 6, 2021.
2. No outdoor storage of merchandise in the outdoor display area of the property shall be stacked higher than the perimeter fencing.
3. Any new external lighting on the property shall have a maximum height of 14 feet in height and shall be down-directed cut-off fixtures.
4. Any use of the property for a bar or a liquor store shall be prohibited.
5. Any commercial use of the property shall be in conformance with an approved site plan that demonstrates that the entire site is in conformance with the current landscaping standards contained in City Code Chapter 135. (This includes providing 8 evergreen trees and 4 overstory trees per 100 lineal feet along the north property line.)
6. Any commercial expansion on the property shall be subject to the entire commercial development being brought into conformance with the current storm water management requirements.
7. All necessary permits shall be obtained for the construction of any building or wall upon the property.

Date May 24, 2021

- 8. Prior to issuance of the Certificate of Occupancy for any commercial use of the property, the professional who signed the site plan shall submit a letter to the City's Planning Administrator, certifying that the property has been improved in substantial conformance with the approved site plan; and

WHEREAS, the property is legally described as follows:

NOTICE OF PUBLIC HEARING ON AMENDMENT TO COMPREHENSIVE PLAN
FUTURE LAND USE DESIGNATION AND REZONINGS

NOTICE IS HEREBY GIVEN that the City Council of the City of Des Moines, Iowa, has adopted a resolution concerning a request from Menard, Inc. (owner), represented by Theron Berg (officer), to amend the PlanDSM: Creating Our Tomorrow comprehensive plan future land use designation for real property located at 5907 Southeast 8th Street and 801 Hart Avenue, Des Moines, Iowa, from Community Mixed Use within a Community Node to Low-Density Residential within a Community Node; and to rezone said property from Limited CX-V Mixed Use District to N3a Neighborhood District to allow retention of two single-household residences that are no longer proposed for redevelopment; and to rezone real property located at 6000 Southeast 14th Street, and 5911 and 5917 Southeast 8th Street, from Limited CX-V Mixed Use District to revised Limited CX-V Mixed Use District to revise the zoning conditions contained in Ordinance 15,929 related to the proposed Large-Format Retail Sales Use on said property, with said revised zoning conditions set forth in said resolution.

The legal descriptions and map of the subject properties are on file and available for public inspection in the office of the City Clerk, or by sending an email to Planning@dmgov.org or calling (515) 689-9485.

NOTICE IS FURTHER GIVEN that the City Council will consider the proposed amendment to future land use designation and proposed rezonings after a public hearing to be held at 5:00 p.m. on June 14, 2021, in the Council Chambers, City Hall, 400 Robert D. Ray Drive, Des Moines, Iowa. At the hearing, opportunity to be heard will be given to proponents and opponents of the proposed amendment to future land use designation and proposed rezonings. Any person or organization desiring to submit written material regarding this matter may direct such written material to the Office of the City Clerk, City Hall, 400 Robert D. Ray, Des Moines, Iowa 50309, or by e-mailing cityclerk@dmgov.org prior to 4:00 p.m. on June 14, 2021. Please check the posted agenda in advance of the June 14, 2021 meeting for any update on the manner in which the public hearing will be conducted to comply with COVID-19 social distancing and safety guidelines.

STAFF REPORT TO THE PLANNING COMMISSION

I. GENERAL INFORMATION

1. **Purpose of Request:** The requested rezoning would allow retention of two (2) houses that were recently rezoned to Limited "CX-V" District as part of a rezoning to allow an expansion of the Menard's store. The expansion would consist of a new three-lane lumberyard gate, a new accessory building, the addition of a third loading dock and enclosure of the rear overhang, and a partial enclosure of the garden center. The rezoning would also allow for the revision of zoning conditions contained in Ordinance 15,929 that were applied to the site when it was rezoned to "CX-V" District, including the condition that required the development to be carried out in accordance with the Large-Scale Development Plan presented to the Plan and Zoning Commission at that time.
2. **Size of Site:** Approximately 20.8 acres.
3. **Existing Zoning (site):** Limited "CX-V" Mixed Use District.
4. **Existing Land Use (site):** The property contains a Menard's home improvement/retail store and four (4) one-household dwellings.
5. **Adjacent Land Use and Zoning:**
 - North** – "N3a", Uses are one-household residential dwellings.
 - South** - "RX1", Uses are multi-household residential dwellings.
 - East** – "MX3-V", Uses are restaurant, retail, and bowling alley uses along the Southeast 14th Street major commercial corridor.
 - West** – "N3a", Uses are one-household residential dwellings.
6. **General Neighborhood/Area Land Uses:** The subject property is generally located along the Southeast 14th Street major commercial corridor in an area that transitions from the Menard's retail business to a low-density residential area to the north and west. It also contains four (4) one-household dwellings along Southeast 8th Street and/or Hart Street.
7. **Applicable Recognized Neighborhood(s):** The subject property is located within the South Park Neighborhood and within 250 feet of the Easter Lake Area Neighborhood

Association. All neighborhoods were notified of the public hearing by mailing of the Preliminary Agenda on April 16, 2021. Additionally, separate notifications of the hearing for this specific item were mailed on April 16, 2021 (20 days prior to the hearing) and April 26, 2021 (10 days prior to the hearing) to the primary titleholder on file with the Polk County Assessor for each property within 250 feet of the site. A Final Agenda was mailed to recognized neighborhoods on April 30, 2021.

All agendas are mailed to the primary contact person designated to the City of Des Moines Neighborhood Development Division by the recognized neighborhood association. The South Park Neighborhood mailings were sent to Jan Goode, 4501 Southeast 6th Street, Des Moines, IA 50315, and the Easter Lake Area Neighborhood mailings were sent to Jim Bollard, 4007 Southeast 26th Street, Des Moines, IA 50320.

During the Governors emergency declaration due to COVID-19 pandemic, the applicant is responsible for reaching out to the surrounding property owner within 250 feet through a written communication soliciting questions and input and providing responses. The applicant shall provide a report on the outcomes of this process prior to the Plan and Zoning Commission meeting, and provide a summary at the hearing.

8. Relevant Zoning History: On October 5, 2020, by Ordinance 14,929, the City Council rezoned the existing Menard's site and four (4) one-household properties to Limited "CX-V" District, subject to the following conditions:

1. The development shall be carried out in accordance with the Large-scale development plan presented to the Plan and Zoning Commission;
2. That no outdoor storage of merchandise in the outdoor display area of the Property shall be stacked higher than the perimeter fencing;
3. Any external lighting on the Property shall have a maximum height of 14 feet in height and shall be down-directed cut-off fixtures;
4. Any use of the Property for a bar or a liquor store shall be prohibited;
5. Any commercial use of the Property shall be in conformance with an approved site plan that demonstrates that the entire site is in conformance with the current landscaping standards contained in City Code Chapter 135. (This includes providing 8 evergreen trees and 4 overstory trees per 100 lineal feet along the north property line.)
6. Any commercial expansion on the Property shall be subject to the entire commercial development being brought into conformance with the current storm water management requirements;
7. All necessary permits shall be obtained for the construction of any building or wall upon the Property;
8. Prior to issuance of the Certificate of Occupancy for any commercial use of the Property, the professional who signed the site plan shall submit a letter to the City's Planning Administrator, certifying that the Property has been improved in substantial conformance with the approved site plan.

9. PlanDSM Future Land Use Plan Designation: Community Mixed Use within a Regional Node.

10. Applicable Regulations: Taking into the consideration of the criteria set forth in Chapter 18B of the Iowa Code, the Commission reviews all proposals to amend zoning

boundaries or regulations within the City of Des Moines. Such amendments must be in conformance with the comprehensive plan for the City and designed to meet the criteria in 414.3 of the Iowa Code. The Commission may make recommendations to the City Council on conditions to be made in addition to the existing regulations so long as the subject property owner agrees to them in writing. The recommendation of the Commission will be forwarded to the City Council.

II. ADDITIONAL APPLICABLE INFORMATION

1. **PlanDSM Future Land Use Plan:** The proposed rezoning of lots at 5907 Southeast 8th Street and 801 Hart Avenue from Limited "CX-V" Mixed Use District to "N3a" District requires the future land use plan designation for these properties to be revised from "Community Mixed Use" within a Regional Node to "Low Density Residential" within a Regional Node.
2. **Zoning Conditions:** When the property was rezoned on October 5, 2020, by Ordinance 14,929, the following zoning conditions were included:
 1. The development shall be carried out in accordance with the Large-scale development plan presented to the Plan and Zoning Commission;
 2. That no outdoor storage of merchandise in the outdoor display area of the Property shall be stacked higher than the perimeter fencing;
 3. Any external lighting on the Property shall have a maximum height of 14 feet in height and shall be down-directed cut-off fixtures;
 4. Any use of the Property for a bar or a liquor store shall be prohibited;
 5. Any commercial use of the Property shall be in conformance with an approved site plan that demonstrates that the entire site is in conformance with the current landscaping standards contained in City Code Chapter 135. (This includes providing 8 evergreen trees and 4 overstory trees per 100 lineal feet along the north property line.)
 6. Any commercial expansion on the Property shall be subject to the entire commercial development being brought into conformance with the current storm water management requirements;
 7. All necessary permits shall be obtained for the construction of any building or wall upon the Property;
 8. Prior to issuance of the Certificate of Occupancy for any commercial use of the Property, the professional who signed the site plan shall submit a letter to the City's Planning Administrator, certifying that the Property has been improved in substantial conformance with the approved site plan.

A revised Large-Scale Development Plan is proposed, which is regulated by Condition #1. The applicant also requesting that Condition #5 be eliminated, as they have indicated that this condition is detrimental to the project since it requires installation of 1 landscape island for every 8 parking spaces in their existing parking lot. Staff continues to recommend that this condition carry forward with this current rezoning request.

3. **Large Scale Development Plan:** Chapters 134 and 135 of the City Code requires that rezoning of tracts larger than 5 acres in area must be considered under provisions in

Chapter 135 Article 5 for Large-Scale Development. The intent of this requirement is to ensure that consideration is given to how the site provides site connectivity and utilities in relation to adjoining properties.

When the entire site was rezoned to "CX-V" District on October 5, 2020, the Council also approved a Large-Scale Development Plan. This plan included the removal of four (4) existing houses along the west edge of the site. Since the applicant is now proposing to retain two (2) of these four (4) houses, the Large-Scale Development Plan needs to be amended to allow for such. The proposed plan demonstrates that the proposed expansion area would be located 77 feet from the west property line instead of 53 feet. The Large-Scale Development Plan demonstrates that this reduction in storage area would be offset by additional storage within the northwest portion of the existing site.

4. **Drainage/Grading:** Any Site Plan for an area over 10,000 square feet would require compliance with the stormwater management requirements of the City Code. Any improvements over an acre in area would require submittal of a Storm Water Pollution Protection Plans (SWPPP) with approval by Iowa DNR.
5. **Permit and Development Center Comments:** Any future expansion of the existing retail use would be subject to compliance with all applicable Building Codes and compliance with Chapter 135 Planning and Design Ordinance requirements. Furthermore, any required permits must be obtained from the City's Permit and Development Center.

SUMMARY OF DISCUSSION

Bert Drost presented staff report and recommendation.

Nick Brenner 5101 Menard Drive, Wisconsin representing Menards stated with all the changes and development done on site, they have determined they're able to save 2 houses. They are planning to rent these homes out and will invest on fixing them up to provide a nice place for someone to live. They would like to have some leniency on landscape island within the parking lot as they plan to keep the store open during the expansion and rather not rip up the parking lot.

CHAIRPERSON OPENED THE PUBLIC HEARING

None were present or requested to speak.

CHAIRPERSON CLOSED THE PUBLIC HEARING

Will Page asked about the reference to 8 evergreen trees and 4 over-story trees in the staff recommendation and how it did or did not related to the graphic from the applicant.

Bert Drost stated when Menards did their expansion to the north 10 years ago, they had a condition requiring 8 evergreen trees and 4 over-story trees per 100 feet along the north property line. Staff listed those within the condition so the previous imposed condition carried forward.

Will Page asked for clarification around the islands shown on the current plan.

Bert Drost stated they currently have islands at the end of the rows with some cart corrals in the middle. The current landscape standards require 1 landscape island for every 8 parking spaces.

Jason Van Essen stated staff understands that you can't always do 8 in a row perfectly so there would be an administrative process to see if there would be any practical difficulties in complying with that condition and that staff would work with the applicant.

COMMISSION ACTION:

Will Page made a motion for:

Part A) The Commission find the requested rezoning is not in conformance with PlanDSM; Creating Our Tomorrow Plan, which designates the western portion of the property as "Low Density Residential" in a Regional Node.

Part B) Approval of the amendment to PlanDSM Creating Our Tomorrow Comprehensive Plan for the properties at 5907 Southeast 8th Street and 801 Hart Avenue, to revise the future land use classification from "Community Mixed Use" within a Regional Node to "Low Density Residential" within a Regional Node.

Part C) Approval of an amendment to the submitted Large-Scale Development Plan, subject to provision of a note that states the development will comply with the conditions of any Ordinance to rezone the property from Limited "CX-V" District to Limited "CX-V" District.

Part D) Approval of the request to rezoning the properties at 5907 Southeast 8th Street and 801 Hart Avenue from "Limited "CX-V" District to "N3a" Neighborhood District; and

Approval of the request to rezone the balance of the site from Limited "CX-V" Mixed Use District to Limited "CX-V" District, so long as the conditions contained in Ordinance at 15,929 are replaced with the following conditions:

1. The development shall be carried out in accordance with the Large-Scale Development Plan presented to the Plan and Zoning Commission on May 6, 2021.
2. No outdoor storage of merchandise in the outdoor display area of the Property shall be stacked higher than the perimeter fencing.
3. Any new external lighting on the Property shall have a maximum height of 14 feet in height and shall be down-directed cut-off fixtures.
4. Any use of the Property for a bar or a liquor store shall be prohibited.
5. Any commercial use of the Property shall be in conformance with an approved site plan that demonstrates that the entire site is in conformance with the current landscaping standards contained in City Code Chapter 135. (This includes

providing 8 evergreen trees and 4 overstory trees per 100 lineal feet along the north property line.)

6. Any commercial expansion on the Property shall be subject to the entire commercial development being brought into conformance with the current storm water management requirements.
7. All necessary permits shall be obtained for the construction of any building or wall upon the Property.
8. Prior to issuance of the Certificate of Occupancy for any commercial use of the Property, the professional who signed the site plan shall submit a letter to the City's Planning Administrator, certifying that the Property has been improved in substantial conformance with the approved site plan.

Motion passed: 11-1

Respectfully submitted,

Jason Van Essen, AICP
Planning & Urban Design Administrator
