Dear Mr. Mayor and Members of the City Council –

ADT wishes to recognize the extraordinary professionalism of the Des Moines Fire Department for its help in rescuing one of our customers from a severe carbon monoxide incident.

As part of ADT's LifeSaver Celebration program, where we have honored nearly 200 fire departments across America over the past ten years, we intend to make a \$5,000 contribution to the Des Moines Fire Department for any use it deems appropriate.

We plan to present the check during an event at the home of Reda Stajcar on July 29 and invite each of you to attend. Local news reporters are expected to cover this compelling story which will shine a positive light on first responders while also helping educate the community about the dangers of carbon monoxide.

We kindly ask that you approve the \$5,000 contribution during your June 28 Council meeting.

Sincerely,

A handwritten signature in black ink, appearing to read 'Bob Tucker', with a long horizontal flourish extending to the right.
