It would be on the 9 intersections that we have done the epoxy on, that I was seeing if we could take a price deduct . We plan on fixing and doing all the tape on Cherry.

Matt Younker, please get Advanced Traffic Control approved. Not sure if we are renting the truck yet or if they will provide a couple people to run it. But rather be ready either way.

Thanks,
Jason

In most cases we would want them redone, it would have to be very extreme to not redo it.

Thanks
