_____ City Clerk

Good morning Brian hope all is well. Hey I am sorry it is with great regret that I am resigning from the Code review board. I hate to say it but I am too damn old and I just don't have the time anymore.... Not that I every had any extra time. Hell they serve Jello cups where I live at 3pm every day. LOL. In all seriousness my days at Wyckoff are on the short end. Riding off into retirement is in my near future. I would like to suggest my son Rush Wyckoff as my replacement. Rush is 32 years old, a commercial estimator at well as a commercial HVAC supervisor/installer for us at Wyckoff. In short he knows his stuff. Please ask Mike Minnick or any of the mechanical inspectors about the integrity of Rush. Rush is also a 32 year old Staff Sergeant in the Army reserves. His actual qualifications far exceed this old mans. Once again thanks for the opportunity, but it is time for this old man to move on down the road. God Speed and give my best to the rest of the board. This is my official resignation. Thank you and have a great day.
