STAFF RECOMMENDATION TO THE P&Z COMMISSION

Staff recommends approval of the requested vacation, subject to the following:

1. Provision of easements for any existing utilities until such time that they are abandoned or relocated at the applicant's expense.
2. Provision of an easement to allow vehicular access to the parcel (Geo Parcel # 7924-36-253-029) immediately to the east of the proposed vacation until such time that it is no longer needed.

STAFF REPORT TO THE PLANNING COMMISSION

I. GENERAL INFORMATION

1. **Purpose of Request:** The applicant is proposing to vacate the 150-foot long segment of Dixon Court right-of-way located north of East Washington Avenue in order to assemble it with the property adjoining to the north and east. The existing unimproved right-of-way is currently being used as a default gravel driveway for this property, which generates significant dust for the residential area immediately to the south. Any use of the requested right-of-way for an industrial use would be subject to it being improved in accordance with a Site Plan.
2. **Size of Site:** The requested right-of-way segment consists of approximately 7,637.5 square feet of area (150 feet by 49.5 feet).
3. **Existing Zoning (site):** "I2" Industrial District.
4. **Existing Land Use (site):** Undeveloped public right-of-way.
5. **Adjacent Land Use and Zoning:**

North & East – "I2"; Uses are a concrete/asphalt mixing plant and a wireless communication tower.

West – "I2"; Uses are industrial.

South – "N3a"; Uses are one-household residential units.
6. **General Neighborhood/Area Land Uses:** The subject segment of right-of-way is located to the north of East Washington Avenue, immediately west of the intersection of Dixon Street and East Washington Avenue. It is located within an area consisting of large-scale industrial uses. Low density residential uses are located immediately south of East Washington Avenue.

7. **Applicable Recognized Neighborhood(s):** The subject property is not within a designated neighborhood association but is within 250 feet of the Martin Luther King, Jr. Park Neighborhood Association. The neighborhood associations were notified of the public hearing by mailing of the Preliminary Agenda on September 30, 2022, and by mailing of the Final Agenda on October 14, 2022. Additionally, separate notifications of the hearing for this specific item were mailed on October 10, 2022 (10 days prior to the public hearing) to the primary titleholder on file with the Polk County Assessor for each property adjoining the requested right-of-way.

All agendas were mailed to the primary contact person designated to the City of Des Moines Neighborhood Development Division by the recognized neighborhood association. The Martin Luther King, Jr. Park Neighborhood mailings were sent to Charice Williams, 1434 E. 18th Street, Des Moines, IA 50316.

8. **Relevant Zoning History:** On August 18, by Docket No. ROWV-2022-000020, the Plan and Zoning Commission approved the vacation of the easternmost 255 lineal feet of the east/west right-of-way of East Jefferson Avenue, located to the West of Dixon Street to allow the applicant to consolidate and maintain this subject right-of-way area.
9. **PlanDSM: Creating Our Tomorrow Land Use Plan Designation:** Industrial.
10. **Applicable Regulations:** Taking into consideration the criteria set forth in Chapter 18B of the Iowa Code, the Commission reviews all proposals to vacate land dedicated for a specific public purpose, such as for streets and parks, to determine whether the land is still needed for such purpose or may be released (vacated) for other use. The recommendation of the Commission is forwarded to the City Council.

II. ADDITIONAL APPLICABLE INFORMATION

1. **Utilities:** There is existing sanitary sewer conduit within the requested right-of-way. Easements must be reserved for any existing utilities until such time that they are abandoned or relocated at the applicant's expense.
2. **Traffic/Access:** The requested vacation would not negatively impact access to the surrounding public and private properties or existing traffic patterns so long as an access easement is provided to the parcel to the east of the proposed vacation that contains a communications tower (Geo Parcel # 7924-36-253-029).

SUMMARY OF DISCUSSION

Emily Webb asked if any member of the public or commission desired to speak on the item. No one requested to speak.

COMMISSION ACTION:

Todd Garner made a motion for approval of the requested vacation, subject to the following:

1. Provision of easements for any existing utilities until such time that they are abandoned or relocated at the applicant's expense.
2. Provision of an easement to allow vehicular access to the parcel (Geo Parcel # 7924-36-253-029) immediately to the east of the proposed vacation until such time that it is no longer needed.
