.....

**Sec. 26-141. Exemption from fees.**

(a) Persons performing work on government owned and occupied public properties for the federal, state, ~~or county~~ county or city governments may obtain permits for that work without paying the permit fees described in this section, provided that nothing in this section shall be construed to exempt payment of permit fees by persons working under the direction of the city in connection with the abatement of any public nuisance on private property, pursuant to city ordinance or state law. The exemption provided by this subsection shall not apply to any quasi-governmental or multi-governmental entity such as one created pursuant to Iowa Code Chapter 28E.

(b) *Waiver of permit fees by city council.* The city council upon receipt of timely application may by resolution waive payment of permit fees required in this chapter to persons who develop a project within the Metro Center Urban Renewal Project Area which will receive assistance from the city, from Polk County or from the state of Iowa under Iowa Code, Chapter 15F, Vision Iowa Program.

**Sec. 26-300. Adoption of International Codes.**

(a) The provisions of the International Building Code, ~~2018-2021~~ edition, published by the International Code Council, 500 New Jersey Avenue NW, 6<sup>th</sup> Floor, Washington, D.C., 20001 are hereby adopted by reference and subject to the additions, deletions and modifications hereinafter stated as the general requirements for commercial building construction in the City of Des Moines.

(b) The provisions of the International Residential Code, ~~2021~~2018 edition published by the International Code Council, 500 New Jersey Avenue NW, 6<sup>th</sup> Floor, Washington, D.C., 20001, except for Part VI –Fuel Gas, Part VII – Plumbing and Part VIII – Electrical; and with the adoption of appendices G, H, J, K, and M, are hereby adopted by reference and subject to the additions, deletions and modifications hereinafter stated as the general requirements for construction, alteration, movement, enlargement, replacement, repair, equipment, use and occupancy, location, removal, and demolition of detached one-and two-family dwellings and multiple single-family dwellings (townhouses) not more than three stories in height with a separate means of egress and their accessory structures in the City of Des Moines.

(c) The provisions of the International Existing Building Code, ~~2021~~2018 edition, published by the International Code Council, 500 New Jersey Avenue NW, 6<sup>th</sup> Floor, Washington, D.C. 20001 are hereby adopted by reference and subject to the additions, deletions, and

modifications hereinafter regulating the repair, alteration, change of occupancy, addition and relocation of existing buildings, including historic buildings, in the City of Des Moines.

- (d) This article and all provisions incorporated in this article, by reference or otherwise, shall be known as the building code. References to section numbers not preceded by "26-" will be to sections in the International Building Code (IBC), the International Existing Building Code (IEBC) or the International Residential Code (IRC).
- (e) All references to the International Plumbing Code found within the IRC, IBC, and IEBC shall be interpreted to refer to the corresponding provision in the State Plumbing Code.
- (f) All references to the International Mechanical Code found within the IRC, IBC, and IEBC shall be interpreted to refer to the corresponding provision in the State Mechanical Code.
- (gf) The following climatic and geographic design criteria shall be applied in the application of the International Residential Code to structures in the City of Des Moines.

.....

### **Sec. 26-305. Conversion to condominium or multiple housing cooperative.**

- (a) The conversion of any residential building or portion thereof to a horizontal property regime or to a multiple housing cooperative shall be treated as a change of occupancy classification for the building, notwithstanding anything in the building codes to the contrary, and shall conform to the International Building Code.
- (b) No person shall file or record a declaration in the office of the county recorder to convert an existing structure located within the city to a horizontal property regime unless a certificate of occupancy for compliance with the current building codes has been issued by the building official
- (c) No person shall file or record an instrument in the office of the county recorder conveying an interest in real estate located in the city to a multiple housing cooperative unless a certificate of occupancy for compliance with the current building codes has been issued by the building official.
- (d) At least 60 days before being filed or recorded in the office of the county recorder, the applicant shall file a copy of such declaration or such instrument, together with the following documents with the ~~permit and development administrator~~building official, and shall also pay a conversion fee in the amount set in the schedule of fees adopted by the city council by resolution:
  - (1) Two copies of an as-built plan for the entire structure.
  - (2) A building code analysis prepared by a licensed architect or professional engineer demonstrating that the structure conforms with the current building codes, or can be brought into conformance with the current building codes by planned improvements to be made to the structure.
  - (3) Two copies of construction plans for planned improvements to be made to the structure to bring the structure into conformance with the current building codes.
- (e) Upon receipt of the documents and the conversion fee as provided above, the ~~permit and development administrator~~building official or the ~~administrator's building official's~~ designee shall review the building code analysis and conduct such inspections of the structure as may be deemed appropriate by the ~~administrator~~building official to determine whether or not the structure conforms with the requirements of paragraph (a) above. If the ~~permit and development center~~

~~administrator~~building official or the ~~administrator's~~building official's designee determines that the structure has been shown to be in substantial compliance with the requirements of paragraph (a) above, the ~~administrator~~building official shall cause a certificate of occupancy to be issued for the use of the structure as a horizontal property regime or a multiple housing cooperative. If the structure has not been shown to be in substantial compliance with the requirements of paragraph (a) above, the ~~administrator~~building official shall give written notice to the applicant of any violations of the applicable code requirements discovered to exist in the building.

**Sec. 26-307. Shelter for the homeless.**

- (a) As used in this section, the term "shelter for the homeless" means a building used to provide primarily short term lodging, or short term lodging and meals, and which may also provide other services, including counseling, with or without compensation, to transient individuals or to individuals who have no access to traditional or permanent housing. For purposes of this subsection, short term lodging shall include facilities offering lodging for 30 days or less.
- (b) No building or portion thereof that is to be used as a shelter for the homeless shall be occupied as such unless an inspection certificate for such use has been issued by the neighborhood inspections ~~zoning~~ administrator. Such certificate shall be valid for not more than one year from the date of issuance, and no new certificate shall be issued until the premises have been reinspected for compliance with applicable building code, zoning and fire safety requirements. No fee shall be charged for the annual inspection or certificate of compliance issued under this subsection; provided, however, that this fee exemption shall not apply to permit fees, when required.
- (c) Facilities which fall under federal, state or other local regulations which require annual inspections for building and health safety standards shall be exempted from this section.
