PUBLIC NOTICE is hereby given that the City Council of the City of Des Moines, State of Iowa, will hold a public hearing on the 19th day of August, 2024, at 5:00 P.M., in the Council Chambers, City Hall, Des Moines, Iowa. Please check the posted agenda on the City's webpage (https://www.dsm.city/government/council_meetings_and_agendas/index.php) in advance of the August 19, 2024 meeting for any update to the manner in which the public may access the hearing and address the Council.

At which meeting the Council proposes to take additional action for the issuance of not to exceed \$34,000,000 General Obligation Bonds, for essential corporate purposes, to provide funds to pay the costs of the acquisition, construction, reconstruction, enlargement, improvement, and repair of bridges, culverts, retaining walls, viaducts, underpasses, grade crossing separations, and approaches thereto; rehabilitation and improvement of parks already owned, including the removal, replacement and planting of trees in the parks, and facilities, equipment, and improvements commonly found in city parks; equipping of fire, sanitation, and street departments; acquisition and improvement of real estate for cemeteries, and the construction, reconstruction, and repair of cemetery facilities; acquisition, construction, reconstruction, and improvement of all waterways, and real and personal property, useful for the protection or reclamation of property situated within the corporate limits of cities from floods or high waters, and for the protection of property in cities from the effects of flood waters, including the deepening, widening, alteration, change, diversion, or other improvement of watercourses, within or without the city limits, the construction of levees, embankments, structures, impounding reservoirs, or conduits, and the establishment, improvement, and widening of streets, avenues, boulevards, and alleys across and adjacent to the project, as well as the development and beautification of the banks and other areas adjacent to flood control improvements; opening, widening, extending, grading, and draining of the right-of-way of streets, highways, avenues, alleys, public grounds, and market places, and the removal and replacement of dead or diseased trees thereon; construction, reconstruction, and repairing of any street improvements; acquisition, construction, reconstruction, improvement, repair, and equipping of waterworks, water mains, and extensions, and real and personal property, useful for providing potable water to residents of a city; acquisition, installation, and repair of traffic control devices; acquisition, construction, improvement, and installation of street lighting fixtures, connections, and facilities; construction, reconstruction, and repair of sidewalks and pedestrian underpasses and overpasses; and the acquisition of real estate needed for any of the foregoing purposes; acquisition, restoration, or demolition of abandoned, dilapidated, or dangerous buildings, structures or properties or the abatement of a nuisance; and the establishment and funding of programs to provide for or assist in providing for the acquisition, restoration or demolition of housing, as part of a municipal housing project.

The annual increase in property taxes as the result of the issuance on a residential property with an actual value of one hundred thousand dollars is estimated not to exceed \$11.99. This estimate only considers the impact on property taxes of financing authority established by this hearing for the above-described project(s). The bond may be issued in one or more series over a number of years. Finance authority established by this hearing may be combined with additional finance authority, causing the estimate for the annual increase in property taxes for the entire issuance to be greater than the estimate stated herein. Changes in other levies may cause the actual annual increase in property taxes to vary.

At the above meeting the Council shall receive oral or written objections from any resident or property owner of the City to the above action. Any person or organization desiring to submit written objections may direct such written material to the Office of the City Clerk, City Hall, 400 Robert D. Ray Dr., Des Moines, Iowa 50309 (or via email at cityclerk@dmgov.org), prior to 3:00 p.m. on August 19, 2024. After all objections have been received and considered, the Council will at the meeting or at any adjournment thereof, take additional action for the issuance of the Bonds or will abandon the proposal to issue said Bonds.
