If you plan to renovate the structure and it has been vacant for over a year, there may be zoning issues, which may affect the renovation plans. Please contact the Development Zoning Division at (515) 283-4207 to determine if there is anything you should be aware of.

If you decide to demolish the building or take the structure down, you will need a demolition permit.

If you cannot renovate or demolish the structure, contact me to discuss allowing the City to remove the structure. There will be costs billed out to you and possibly a judgment. It may be cheaper for you to remove the structure yourself.

If you no longer own this property, please let us know.

Unpaid costs may be collected by personal judgment, collection, or assessment to be collected as a property tax.
