Approval of the requested right-of-way vacation, subject to the reservation of easements for any existing utilities until such time that they are abandoned or relocated at the applicant's expense, as well as provision of any necessary no-build easements.

STAFF RECOMMENDATION TO THE P&Z COMMISSION

Staff recommends approval of the requested right-of-way vacation, subject to the reservation of easements for any existing utilities until such time that they are abandoned or relocated at the applicant's expense, as well as provision of any necessary no-build easements.

STAFF REPORT TO THE PLANNING COMMISSION

I. GENERAL INFORMATION

1. **Purpose of Request:** The proposed vacation would enable the adjoining property owner to assemble a north/south dead-end alley right-of-way, with their properties. This includes multiple parcels adjacent to the west of the right-of-way. The applicant intends to combine the parcels and the vacated right-of-way, to develop the property for a future vehicle rental business. Staff notes that any commercial use of the adjoining property would be subject to a future rezoning.
2. **Size of Site:** 16 feet by 238 feet (3,817 square feet).
3. **Existing Zoning (site):** "N3b" Neighborhood District.
4. **Existing Land Use (site):** The subject area consists of undeveloped all right-of-way.
5. **Adjacent Land Use and Zoning:**
 - North* – "N3b" and "N3a"; Use is one-household residential.
 - South* – "N3b" and "MX3", Uses are one-household residential and an auto parts store.
 - East* – "N3b"; Use is one-household residential.
 - West* – "N3b", Use is undeveloped land, that was formerly State right-of-way.
6. **General Neighborhood/Area Land Uses:** The applicant's property consists of six (6) undeveloped vacant parcels fronting Southwest 63rd Street. The surrounding area consists of predominantly residential uses with a few auto oriented commercial uses at the intersection of Southwest 63rd Street and Winona Avenue.
7. **Applicable Recognized Neighborhood(s):** The subject property is not within 250 feet of a designated Neighborhood Association. All neighborhood associations were notified of the public hearing by emailing of the Preliminary Agenda on April 11, 2025, and of the Final Agenda on April 25, 2025. Additionally, separate notifications of the hearing for this specific item were mailed on April 11, 2025 (20 days prior to the public hearing) and April 21, 2025 (10 days prior to the public hearing) to the Neighborhood Association and to the primary titleholder on file with the Polk County Assessor for each property within 250 feet of the site.

All notices are mailed to the primary contact(s) designated by the recognized neighborhood association to the City of Des Moines Neighborhood Services Department on the date of the mailing.
8. **Relevant Zoning History:** None.
9. **PlanDSM: Creating Our Tomorrow Land Use Plan Designation:** Low Density Residential.

10. Applicable Regulations: Taking into consideration the criteria set forth in Chapter 18B of the Iowa Code, the Commission reviews all proposals to vacate land dedicated for a specific public purpose, such as for streets and parks, to determine whether the land is still needed for such purpose or may be released (vacated) for other use. The recommendation of the Commission is forwarded to the City Council.

II. ADDITIONAL APPLICABLE INFORMATION

- 1. Utilities:** There is an existing sanitary sewer line within the requested right-of-way. Easements must be reserved for any existing utilities until such time that they are abandoned or relocated at the applicant's expense.
- 2. Traffic/Access:** The requested vacation would not negatively impact access to private properties or traffic patterns.
- 3. Zoning and Land Use:** The current zoning of the property including the parcels and the alley right-of-way is "N3b" Neighborhood District. Any future commercial use of the property will require a rezoning to the appropriate zoning district. A concurrent amendment to PlanDSM's future land use map will also be necessary.

SUMMARY OF DISCUSSION

Leah Rudolphi asked if any member of the public or commission desired to speak on the item. No one requested to speak.

COMMISSION ACTION

Carolyn Jenison made a motion for approval of the requested right-of-way vacation, subject to the reservation of easements for any existing utilities until such time that they are abandoned or relocated at the applicant's expense, as well as provision of any necessary no-build easements.
