If procedures to vacate the premises are not undertaken immediately upon receipt of this notice, and in no case later than seven (7) days, the City may seek a court order directing you to vacate the structure, pursuant to Section 60-191 and 60-192 of the Municipal Code of the City of Des Moines, Iowa.

ALL ELECTRICAL, MECHANICAL, PLUMBING, AND STRUCTURAL COMPONENTS IN NEED OF REPLACEMENT OR REPAIR, ARE TO BE BROUGHT TO MINIMUM CODE REQUIREMENTS WITH NECESSARY PERMITS AS REQUIRED TO MEET CITY CODES. If you need additional time to bring the structure into compliance, please reach out to me to discuss a renovation agreement.

If you enter into a renovation agreement with the City regarding the violations noticed herein and fail to satisfy all obligations contained within the renovation agreement before the deadline contained therein or any extension thereof granted by the City, then the City council may authorize legal action in the same manner set forth in the preceding sentence.

The City council may approve legal action at the deadline for abatement of the nuisance if a renovation agreement is not entered into or the nuisance is not otherwise abated prior to the deadline.

If you plan to renovate the structure and it has been vacant for over a year, there may be zoning issues, which may affect the renovation plans. Please contact the Development Zoning Division at (515) 283-4207 to determine if there is anything you should be aware of.

If you decide to demolish the building or take the structure down, you will need a demolition permit.

If you cannot renovate or demolish the structure, contact me to discuss allowing the City to remove the structure. There will be costs billed out to you and possibly a judgment. It may be cheaper for you to remove the structure yourself.

If you no longer own this property, please let us know.

Unpaid costs may be collected by personal judgment, collection, or assessment to be collected as a property tax.
