**WHEREAS**, the City of Des Moines, Iowa, ("City") is the owner of certain excess real estate locally known as Geoparcels 7824-17-102-042 and 7824-17-102-005, and 2704, 2706, 2714 and 2718 George Flagg Parkway, Des Moines, Iowa (hereinafter collectively "Property"); and

**WHEREAS**, the Property consists of approximately 69,490 square feet and is currently composed of five (5) tax parcels and vacated right-of-way. There is a 42-inch Des Moines Water Works feeder main that cuts through the northwestern corner of the site, with its associated no-build easement encumbering approximately one-third of the site and hampering its developability; and

**WHEREAS**, the property to be conveyed was previously encumbered with FEMA flood buyout conditions and restrictions, which prohibited any sale of the property, but those restrictions were released by FEMA in April 2017, and the property can now be sold. This property is one of several in the Valley Gardens Industrial Park that is owned by the City. The purchase price of \$155,000.00 is equal to the restricted fair market value of the property, as determined by the City's Real Estate Division; and

**WHEREAS**, for typical sales of City-owned excess property, the City will work with individual development proposals on a development concept and purchase agreement to bring forward to the Council for approval; there is typically not a Council recommendation action. However, a unique situation emerged with this subject property as the City received two (2) formal development proposals at roughly the same time; and

**WHEREAS**, On March 9, 2026, by Roll Call No. 26-0335, the City Council of the City of Des Moines, Iowa voted on a recommendation for selection of preferred developer for disposition of City-owned property at 2074-2718 George Flagg Parkway; and

**WHEREAS**, South by Southwest, LLC, an Iowa limited liability company, has offered to the City the purchase price of \$155,000.00 for the purchase of excess City property locally known as Geoparcels 7824-17-102-042 and 7824-17-102-005, and 2704, 2706, 2714 and 2718 George Flagg Parkway, Des Moines, Iowa, to improve with approximately 16,000 square feet of 'flex' industrial space (office and storage), subject to multiple land use restrictions, including the reservation of any necessary easements for all existing utilities in place until such time that they are abandoned or relocated, a permanent easement to the City of Des Moines for accessing and conducting environmental testing and remediation, and a restriction requiring construction of Improvements on the property within a defined time period, all of which will be included in the Quit Claim Deed from City to Buyer or through restrictive covenants or easements granted by Buyer to City, which

price reflects the restricted fair market value of the City Property determined by the City’s Real Estate Division; and
