

Date June 8, 2026

ABATEMENT OF PUBLIC NUISANCE AT 2825 SE 14th STREET LOT 58

WHEREAS, the property located at 2825 SE 14th Street, Lot 58, Des Moines, Iowa, was inspected by representatives of the City of Des Moines who determined that the main structure in its present condition constitutes not only a menace to health and safety but is also a public nuisance; and

WHEREAS, the Titleholder of the land, Glenwood MHP 2 LLC, Titleholder of the mobile home, Zack Jorden, and the Mortgage Holder of the land, Federal National Mortgage Association, were notified more than thirty days ago to repair or demolish the main structure and as of this date have failed to abate the nuisance.

NOW THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DES MOINES, IOWA:

The main structure on the real estate legally described as The South 419 feet (except the East 800 feet and except the West 191 feet of the North 200 feet, and except the South 20 feet for Roadway, Glenwood Drive)and subject to roadway on the West 40 feet thereof, all in the NW 1/4 of the SW 1/4 of Section 14, Township 78 North, Range 24, West of the 5th P.M., now included in and forming a part of the City of Des Moines, Polk County, Iowa, (except that part thereof conveyed to the State of Iowa by Warranty Deed recorded in Book 5014, Page 770), and locally known as 2825 SE 14th Street, Lot 58, has previously been declared a public nuisance;

The City Legal Department is hereby authorized to file an action in district court to obtain a decree ordering the abatement of the public nuisance, and should the owner(s) fail to abate the nuisance, as ordered, that the matter may be referred to the Department of Engineering which will take all necessary action to demolish and remove said structure.

Moved by _____ to adopt.
Second by _____

FORM APPROVED:

[Handwritten signature of Marcus L. Coleman]

Marcus L. Coleman, Assistant City Attorney

Table with 5 columns: COUNCIL ACTION, YEAS, NAYS, PASS, ABSENT. Rows include BOESEN, SIMONSON, VOSS, BARRON, WESTERGAARD, MANDELBAUM, GATTO, and TOTAL.

CERTIFICATE

I, Laura Baumgartner, City Clerk of said City hereby certify that at a meeting of the City Council of said City of Des Moines, held on the above date, among other proceedings the above was adopted.

IN WITNESS WHEREOF, I have hereunto set my hand and affixed my seal the day and year first above written.

MOTION CARRIED APPROVED

Upon inspection of the property located at and locally known as the Address of Property shown above, located in Des Moines, Iowa, ("Property"), there was/were found to be violation(s) of the Municipal Code of the City of Des Moines, Iowa. It has been determined from that inspection that the dwelling currently constitutes a danger to health and safety to the public and is a public nuisance.

We are notifying you that you have the time set out in this notice (below under "Compliance Due Date") to abate the following violation(s) and complete the required remedial action.

VIOLATION(S)

Violation	Corrective Action	Compliance Due Date
-----------	-------------------	---------------------

Violation	Corrective Action	Compliance Due Date
<p>60-191 - Vacation and Abatement Any Structure or Premises declared to be a public nuisance and unfit for human habitation or use, and so designated by the Administrator, shall immediately be vacated and the nuisance shall be abated by repair, rehabilitation, demolition, or any other City-approved corrective action. The Owner(s) shall be responsible for the vacation and abatement of the nuisance at such Owner's expense. If not brought into compliance by such Owner(s), then the nuisance may be abated by the City at the Owner's expense. Both the Owner of a Mobile Home and the Owner of the land upon which the Mobile Home sits shall be responsible for vacation and abatement of the public nuisance.</p>	<p>Vacate the structure and do not re-occupy until the nuisance has been abated and the placard has been removed by City staff.</p>	01/30/2026
<p>60-192(4) - Unsafe and Dangerous Structure or Premise For the purpose of this article, any Structure or Premises that has any or all of the conditions or defects described below shall be considered dangerous and a public nuisance: (4) Structural members that have evidence of Deterioration or that are not capable of safely supporting all nominal loads and load affects.</p>	<p>The Contractor shall repair or replace all walls, flooring systems and windows. All work shall be completed in a workman like manner. All required permits shall be issued and finalized and in compliance with all applicable building codes, standards, and regulations. All work must be performed using quality materials, properly anchored, and structurally sound.</p> <p>A stamped Engineered Design must be submitted with the permit application. The Permit Development Center will review the design to ensure that the proposed renovation meets the specifications established by the licensed engineer.</p> <p>The Contractor is responsible for obtaining all required permits prior to the commencement of any work. Upon completion, all permits must be properly finalized and closed in accordance with local jurisdictional requirements.</p>	01/30/2026

Violation	Corrective Action	Compliance Due Date
<p>60-192(6) - Unsafe and Dangerous Structure or Premise For the purpose of this article, any Structure or Premises that has any or all of the conditions or defects described below shall be considered dangerous and a public nuisance: (6) Roof or roofing components that have defects that admit rain, roof surfaces with inadequate drainage, or any portion of the roof framing that is fatigued or without proper anchorage and incapable of supporting all nominal loads and resisting all load effects.</p>	<p>Repair the roof so that it prevents entry of rain and moisture into the structure, properly drains rain away from the structure, and is capable of supporting all nominal loads and any associated roof loads.</p>	01/30/2026
<p>60-192(10) - Unsafe and Dangerous Structure or Premise For the purpose of this article, any Structure or Premises that has any or all of the conditions or defects described below shall be considered dangerous and a public nuisance: (10) Mechanical Equipment, appliances, fireplaces, boilers, solid Fuel-Burning Appliances, cooking appliances and water heating appliances shall be properly installed and maintained in Good Condition and Good Repair.</p>	<p>A licensed mechanical contractor shall repair or replace all deficient mechanical elements and equipment. All work shall be completed in a workman like manner. All required permits shall be issued and finalized. In the event the licensed mechanical contractor finds no known issues that require permitted work, a written inspection report from the licensed mechanical contractor shall be submitted with the name of the contractor and their professional license number indicating the mechanical system has been evaluated and is in good working order.</p>	01/30/2026
<p>60-192(11) - Unsafe and Dangerous Structure or Premise For the purpose of this article, any Structure or Premises that has any or all of the conditions or defects described below shall be considered dangerous and a public nuisance: (11) Where it is found that a plumbing system in a Structure constitutes a hazard to the Occupants or the Structure by reason of inadequate service inadequate venting, cross connection, back siphonage, improper installation, Deterioration or damage or for similar reasons, the code official shall require the defects to be corrected to eliminate the hazard.</p>	<p>A licensed plumbing contractor shall repair or replace all deficient plumbing elements and equipment. All work shall be completed in a workman like manner. All required permits shall be issued and finalized. In the event the licensed plumbing contractor finds no known issues that require permitted work, a written inspection report from the licensed plumbing contractor shall be submitted with the name of the contractor and their professional license number indicating the plumbing system has been evaluated and is in good working order.</p>	01/30/2026

Violation	Corrective Action	Compliance Due Date
<p>60-192(12) - Unsafe and Dangerous Structure or Premise For the purpose of this article, any Structure or Premises that has any or all of the conditions or defects described below shall be considered dangerous and a public nuisance: (12) Where it is found that the electrical system in a Structure constitutes a hazard to the Occupants or the Structure by reason of inadequate service, improper fusing, insufficient receptacle and lighting outlets, improper wiring or installation, Deterioration, or damage, or for similar reasons, the code official shall require the defects to be corrected to eliminate the hazard.</p>	<p>A licensed electrical contractor shall repair or replace all deficient electrical elements and equipment. All work shall be completed in a workman like manner. All required permits shall be issued and finalized. In the event the licensed electrical contractor finds no known issues that require permitted work, a written inspection report from the licensed electrical contractor shall be submitted with the name of the contractor and their professional license number indicating the electrical system has been evaluated and is in good working order.</p>	01/30/2026
<p>60-194 - Defacing and Removing Placard No person shall deface or remove the placard, except as authorized by the administrator.</p>	<p>Replace or restore defaced or removed placard.</p>	01/30/2026

If not occupied, the structure is to remain vacant and unoccupied until occupancy is authorized by this office.

If the structure is occupied, it must be **vacated immediately**. If procedures to vacate the premises are not undertaken immediately upon receipt of this notice, and in no case later than seven (7) days, the City may seek a court order directing you to vacate the structure, pursuant to Section 60-191 and 60-192 of the Municipal Code of the City of Des Moines, Iowa.

ALL ELECTRICAL, MECHANICAL, PLUMBING, AND STRUCTURAL COMPONENTS IN NEED OF REPLACEMENT OR REPAIR, ARE TO BE BROUGHT TO MINIMUM CODE REQUIREMENTS WITH NECESSARY PERMITS AS REQUIRED TO MEET CITY CODES. Should you have any questions regarding permits, contact the Permit and Development Center at (515) 283-4200. All work performed by a contractor or you must be completed in a workmanlike manner.

If you need additional time to bring the structure into compliance, please reach out to me to discuss a renovation agreement.

If you enter into a renovation agreement with the City regarding the violations noticed herein and fail to satisfy all obligations contained within the renovation agreement before the deadline contained therein or any extension thereof granted by the City, then the City council may authorize legal action in the same manner set forth in the preceding sentence.

The City council may approve legal action at the deadline for abatement of the nuisance if a renovation agreement is not entered into or the nuisance is not otherwise abated prior to the deadline.

If you plan to renovate the structure and it has been vacant for over a year, there may be zoning issues, which may affect the renovation plans. Please contact the Development Zoning Division at (515) 283-4207 to determine if there is anything you should be aware of.

If you decide to demolish the building or take the structure down, you will need a demolition permit.

If you cannot renovate or demolish the structure, contact me to discuss allowing the City to remove the structure. There will be costs billed out to you and possibly a judgment. It may be cheaper for you to remove the structure yourself.

If you no longer own this property, please let us know.

Unpaid costs may be collected by personal judgment, collection, or assessment to be collected as a property tax.

Should you have any questions, feel free to call. I can usually be reached between 8:00 a.m. and 9:00 a.m., Monday through Friday.

Thank you for your help,

Respectfully,

Legal Description: -EX E 800F & W 191F N 200F- & -EX S 20F ST & W 40F ST- S 419F NW 1/4 SW 1/4 SEC 14-78-24

Upon inspection of the property located at and locally known as the Address of Property shown above, located in Des Moines, Iowa, ("Property"), there was/were found to be violation(s) of the Municipal Code of the City of Des Moines, Iowa. It has been determined from that inspection that the dwelling currently constitutes a danger to health and safety to the public and is a public nuisance.

We are notifying you that you have the time set out in this notice (below under "Compliance Due Date") to abate the following violation(s) and complete the required remedial action.

VIOLATION(S)

Violation	Corrective Action	Compliance Due Date
-----------	-------------------	---------------------

Violation	Corrective Action	Compliance Due Date
<p>60-191 - Vacation and Abatement Any Structure or Premises declared to be a public nuisance and unfit for human habitation or use, and so designated by the Administrator, shall immediately be vacated and the nuisance shall be abated by repair, rehabilitation, demolition, or any other City-approved corrective action. The Owner(s) shall be responsible for the vacation and abatement of the nuisance at such Owner's expense. If not brought into compliance by such Owner(s), then the nuisance may be abated by the City at the Owner's expense. Both the Owner of a Mobile Home and the Owner of the land upon which the Mobile Home sits shall be responsible for vacation and abatement of the public nuisance.</p>	<p>Vacate the structure and do not re-occupy until the nuisance has been abated and the placard has been removed by City staff.</p>	11/03/2025
<p>60-192(4) - Unsafe and Dangerous Structure or Premise For the purpose of this article, any Structure or Premises that has any or all of the conditions or defects described below shall be considered dangerous and a public nuisance: (4) Structural members that have evidence of Deterioration or that are not capable of safely supporting all nominal loads and load affects.</p>	<p>The Contractor shall repair or replace all walls, flooring systems and windows. All work shall be completed in a workman like manner. All required permits shall be issued and finalized and in compliance with all applicable building codes, standards, and regulations. All work must be performed using quality materials, properly anchored, and structurally sound.</p> <p>A stamped Engineered Design must be submitted with the permit application. The Permit Development Center will review the design to ensure that the proposed renovation meets the specifications established by the licensed engineer.</p> <p>The Contractor is responsible for obtaining all required permits prior to the commencement of any work. Upon completion, all permits must be properly finalized and closed in accordance with local jurisdictional requirements.</p>	11/03/2025

Violation	Corrective Action	Compliance Due Date
<p>60-192(6) - Unsafe and Dangerous Structure or Premise For the purpose of this article, any Structure or Premises that has any or all of the conditions or defects described below shall be considered dangerous and a public nuisance: (6) Roof or roofing components that have defects that admit rain, roof surfaces with inadequate drainage, or any portion of the roof framing that is fatigued or without proper anchorage and incapable of supporting all nominal loads and resisting all load effects.</p>	<p>Repair the roof so that it prevents entry of rain and moisture into the structure, properly drains rain away from the structure, and is capable of supporting all nominal loads and any associated roof loads.</p>	11/03/2025
<p>60-192(10) - Unsafe and Dangerous Structure or Premise For the purpose of this article, any Structure or Premises that has any or all of the conditions or defects described below shall be considered dangerous and a public nuisance: (10) Mechanical Equipment, appliances, fireplaces, boilers, solid Fuel-Burning Appliances, cooking appliances and water heating appliances shall be properly installed and maintained in Good Condition and Good Repair.</p>	<p>A licensed mechanical contractor shall repair or replace all deficient mechanical elements and equipment. All work shall be completed in a workman like manner. All required permits shall be issued and finalized. In the event the licensed mechanical contractor finds no known issues that require permitted work, a written inspection report from the licensed mechanical contractor shall be submitted with the name of the contractor and their professional license number indicating the mechanical system has been evaluated and is in good working order.</p>	11/03/2025
<p>60-192(11) - Unsafe and Dangerous Structure or Premise For the purpose of this article, any Structure or Premises that has any or all of the conditions or defects described below shall be considered dangerous and a public nuisance: (11) Where it is found that a plumbing system in a Structure constitutes a hazard to the Occupants or the Structure by reason of inadequate service inadequate venting, cross connection, back siphonage, improper installation, Deterioration or damage or for similar reasons, the code official shall require the defects to be corrected to eliminate the hazard.</p>	<p>A licensed plumbing contractor shall repair or replace all deficient plumbing elements and equipment. All work shall be completed in a workman like manner. All required permits shall be issued and finalized. In the event the licensed plumbing contractor finds no known issues that require permitted work, a written inspection report from the licensed plumbing contractor shall be submitted with the name of the contractor and their professional license number indicating the plumbing system has been evaluated and is in good working order.</p>	11/03/2025

Violation	Corrective Action	Compliance Due Date
<p>60-192(12) - Unsafe and Dangerous Structure or Premise For the purpose of this article, any Structure or Premises that has any or all of the conditions or defects described below shall be considered dangerous and a public nuisance: (12) Where it is found that the electrical system in a Structure constitutes a hazard to the Occupants or the Structure by reason of inadequate service, improper fusing, insufficient receptacle and lighting outlets, improper wiring or installation, Deterioration, or damage, or for similar reasons, the code official shall require the defects to be corrected to eliminate the hazard.</p>	<p>A licensed electrical contractor shall repair or replace all deficient electrical elements and equipment. All work shall be completed in a workman like manner. All required permits shall be issued and finalized. In the event the licensed electrical contractor finds no known issues that require permitted work, a written inspection report from the licensed electrical contractor shall be submitted with the name of the contractor and their professional license number indicating the electrical system has been evaluated and is in good working order.</p>	11/03/2025
<p>60-194 - Defacing and Removing Placard No person shall deface or remove the placard, except as authorized by the administrator.</p>	<p>Replace or restore defaced or removed placard.</p>	11/03/2025

If not occupied, the structure is to remain vacant and unoccupied until occupancy is authorized by this office.

If the structure is occupied, it must be vacated immediately. If procedures to vacate the premises are not undertaken immediately upon receipt of this notice, and in no case later than seven (7) days, the City may seek a court order directing you to vacate the structure, pursuant to Section 60-191 and 60-192 of the Municipal Code of the City of Des Moines, Iowa.

ALL ELECTRICAL, MECHANICAL, PLUMBING, AND STRUCTURAL COMPONENTS IN NEED OF REPLACEMENT OR REPAIR, ARE TO BE BROUGHT TO MINIMUM CODE REQUIREMENTS WITH NECESSARY PERMITS AS REQUIRED TO MEET CITY CODES. Should you have any questions regarding permits, contact the Permit and Development Center at (515) 283-4200. All work performed by a contractor or you must be completed in a workmanlike manner.

If you need additional time to bring the structure into compliance, please reach out to me to discuss a renovation agreement.

If you enter into a renovation agreement with the City regarding the violations noticed herein and fail to satisfy all obligations contained within the renovation agreement before the deadline contained therein or any extension thereof granted by the City, then the City council may authorize legal action in the same manner set forth in the preceding sentence.

The City council may approve legal action at the deadline for abatement of the nuisance if a renovation agreement is not entered into or the nuisance is not otherwise abated prior to the deadline.

If you plan to renovate the structure and it has been vacant for over a year, there may be zoning issues, which may affect the renovation plans. Please contact the Development Zoning Division at (515) 283-4207 to determine if there is anything you should be aware of.

If you decide to demolish the building or take the structure down, you will need a demolition permit.

If you cannot renovate or demolish the structure, contact me to discuss allowing the City to remove the structure. There will be costs billed out to you and possibly a judgment. It may be cheaper for you to remove the structure yourself.

If you no longer own this property, please let us know.

Unpaid costs may be collected by personal judgment, collection, or assessment to be collected as a property tax.

Should you have any questions, feel free to call. I can usually be reached between 8:00 a.m. and 9:00 a.m., Monday through Friday.

Thank you for your help,

Respectfully,

A handwritten signature in black ink that reads "Scott Clauson". The signature is written in a cursive style with a long horizontal flourish extending to the right.
