DEFICIENCY ASSESSMENTS  
SCHEDULE NO. 2008-36

WHEREAS, the properties listed on the deficiency assessment Schedule No. 2008-36, Activity No. 20-2008-003, were specially assessed pursuant to this Council's acceptance of the improvement project on the dates and in connection with the public improvement as shown on said Deficit Assessment Schedule No. 2008-36, and

WHEREAS, because said properties were insufficient in value to pay all of their proportion of the cost of the public improvements, the amount of the special assessment for which the said properties could not pay, namely, the deficiencies, were paid from the City fund or funds designated by this Council, and

WHEREAS, City staff have determined that improvements have been made to the properties listed on said deficiency assessment schedule, and this Council in accordance with Section 384.63 now required to levy a deficiency assessment against said properties that, when combined with the special assessments first levied against said properties does not exceed twenty-five percent of the value of the properties with the added private improvements.

Said assessments are hereby declared to be a pro rata portion of the deficiencies on the lots, in the same proportion to the total deficiency on the lots as the number of full calendar years remaining in the period of amortization is to the total number of years in the period of amortization, subject to the twenty-five percent limitation referred to hereinabove.

Date March 10, 2008

BE IT FURTHER RESOLVED: That said deficiency assessment shall be payable in equal annual installments and shall bear interest at the rate as the original special assessments currently bear computed from the date of the City Council's approval of the deficiency assessment schedule; the first installment of each assessment, with interest on the whole of the deficiency assessment from date of City Council's approval of the deficiency assessment, shall become due and payable on July 1, 2008, succeeding annual installments, with interest on the whole unpaid amount, shall respectively become due on July 1st annually thereafter, and shall be paid at the same time and in the same manner as the September semiannual payment of ordinary taxes. Said deficiency assessments shall be payable at the office of the County Treasurer of Polk County, Iowa, in full or in part and without interest by April 11, 2008.

BE IT FURTHER RESOLVED: That the City Clerk be and is hereby directed to certify said deficiency assessment Schedule No. 2008-36, to the County Treasurer of Polk County, Iowa, and to send by regular mail to all property owners whose property is subject to deficiency assessments a notice of deficiency assessment as provided in Section 384.60, subsection 5, which notifies the owner that he or she may appeal from the amount of the assessment within thirty days of the date notice is mailed.
