NOW THEREFORE, BE IT RESOLVED, by the City Council of the City of Des Moines, Iowa, as follows:

1. Upon due consideration of the facts, statements of interested persons and arguments of counsel, the objections to the proposed rezoning and PUD Conceptual Plan are hereby overruled, and the hearing is closed.

2. The proposed rezoning and PUD conceptual Plan, as amended by the conditions set forth below, are hereby found to be in conformance with the Des Moines 2020 Community Character Land Use Plan, subject to the conditions identified below.

3. The PUD Conceptual Plan for the Property described above, which is on file in the Community Development Department, is hereby approved, subject to the plan being first amended to satisfy the following conditions, and subject to the Community Development Director finding that such conditions have been satisfied by the amendments to the plan:

1. The entire site shall have a maximum density of 17 dwelling units per acre. This requires the proposal to either eliminate 32 dwelling units (resulting in the addition of only 76 new dwelling units) or assemble an additional 1.86 acres to the site that is not encumbered by residential units.
2. The note for building setbacks on Page 1 of the Conceptual Plan shall be corrected to reflect the 20-foot setback along the north site boundary demonstrated on Page 2 of the Conceptual Plan.
3. A note shall be added to the Conceptual Plan to state that all garage doors on the site shall be maintained in a functional working order.
4. A note shall be added to the Conceptual Plan to state that all refuse collection on the site (new and existing) shall be enclosed and effectively screened on all sides by enclosures constructed with steel gates and brick or masonry materials to match the brick or masonry on the proposed buildings.
5. A note shall be added to the Conceptual Plan to state that all utility meters shall be placed on building facades that do not face parking lots or streets.
