WHEREAS, on December 19, 2011 by Roll Call No. 11-2117, the City Council approved and authorized execution of grant agreements with Iowa Homeland Security and Emergency Management Division (IHSEMD) and with Iowa Economic Development Authority (IEDA) for federal and state funding for the 2010 Hazard Mitigation Grant Program (HMGP) Flood Buyout Project (a/k/a FEMA 2010 Flood Mitigation Buyout Project) (the "Project"); approved the HGMP Administrative Plan; and authorized voluntary acquisition of property for said Project in the City of Des Moines including the Four Mile Creek, Walnut Creek and Leetown Creek areas; and

WHEREAS, IHSEMD and IEDA require specific procurement procedures for all goods and services secured for the Project, and further require that all contracts and/or purchase orders secured for the Project be approved by IHSEMD prior to City execution, and that federal contract provisions relating to both federal FEMA and CDBG funding sources be included in the solicitations and/or contracts or purchase orders for all services; and

WHEREAS, there are 61 residential properties to be acquired for the Project for which title and abstracting services must be procured in accordance with the federal grant requirements, prior to the Project completion deadline of December 7, 2014, and the total cost of the title and abstract services is currently undetermined but may exceed the annual threshold of \$25,000, which would typically require a formal bidding process pursuant to Municipal Code Section 2-727; and

WHEREAS, unless otherwise required by IHSEMD and/or IEDA, the use of a formal bidding process including publication as required by Municipal Code Sections 2-727 and 2-730 is not in the best interest of the City for purposes of the Project as such bidding process is expected to cause an undue delay in the property acquisition process and increase the bid amounts received from the title and abstracting companies; and

WHEREAS, the City Real Estate Division desires to solicit bids electronically for each property to be acquired from at least three title and abstract companies in order to maintain the expediency, lower cost, and quality of services for the Project, and requests a waiver by City Council of the formal bid process as set forth in Municipal Code Sections 2-727 and 2-730 for good cause pursuant to Municipal Code Section 2-710(a); and
