Moved by **MOORE** to direct the City Manager and City Legal Department to negotiate terms whereby the building remains closed until deficiencies identified in the facility are corrected, and including a term that if reopened without Inspector approval, the parties agree that same would be evidence of a violation of the good moral character requirement of the City's liquor code and the city may revoke the liquor license on that basis; and to direct the City Manager and City Legal to review status of all dealings with any entity owned by Mr. Blunck and commence appropriate action, such review to be independent of the Locust Tap situation.
