RESOLUTION HOLDING HEARING ON REQUEST FROM CALVIN COMMUNITY TO REZONE PROPERTY LOCATED AT 4302-4326 HICKMAN ROAD AND 2121 AND 2245 44TH STREET, AND TO APPROVE THE "CALVIN COMMUNITY" PUD CONCEPTUAL PLAN

WHEREAS, the City Plan and Zoning Commission has advised that at a public hearing held November 5, 2015, its members voted 7-1-1 in support of a motion to recommend **APPROVAL** of a request from Calvin Community (owner), represented by Mark Teigland (officer), to rezone real property locally known as 4302-4326 Hickman Road, 2121 44th Street and 2245 44th Street (collectively "Property") from "C-1" Neighborhood Retail Commercial District and "R1-60" One-Family Low-Density Residential District to "PUD" Planned Unit Development, and to recommend **APPROVAL** of the "Calvin Community" PUD Conceptual Plan for redevelopment of the Property with a 5-story building containing first floor office space, as well as 48 units of senior apartments and 6 units of 2-story senior townhouses subject to the following revisions:

1. The basement level parking ramp shall not be located between the 5-story building and the north property line. The building may be located closer to the north property line than proposed if necessary to facilitate the relocation of the ramp.
2. A predominant building entrance feature oriented toward Hickman Road shall be provided that is architecturally integrated to the satisfaction of the Community Development Director.
3. The emergency vehicle drive and overhead door for the proposed clinic shall be located internal to the site.
4. All brick siding shall consist of full-dimension brick.
5. The design of the rowhouses shall be altered to provide additional articulation to reduce the visual mass of the building and better blend with the single-family dwellings in the area to the satisfaction of the Community Development Director. Each unit should generally appear to be an individual building.
6. A pedestrian connection shall be provided internal to the site that provides a direct connection from the 5-story building to the existing Calvin Community building to the east.
7. A pedestrian access point connecting the parking lot to the rowhouses shall be provided.
8. A pedestrian connection from the front doors of the rowhouse units to the 44th Street sidewalk shall be provided.
9. A note shall be added to the Conceptual Plan that states all building mounted signage is subject to compliance with the "C-1" District standards.

10. Rain gardens and/or other green storm water management techniques shall be utilized to the satisfaction of the Community Development Director.
11. A note shall be added to the Conceptual Plan that states landscaping shall be provided that meets or exceeds the "C-1" District Landscaping Standards.
12. A note shall be added to the Conceptual Plan that states that foundation plantings shall be provided around the perimeter of all buildings.
13. A dense row of shrubs shall be provided along the west perimeter of the parking lot.
14. Evergreens shall be provided along the south property line excluding the western 30 feet that is located within the front yard setback area.
15. A note shall be added to the Conceptual Plan that states any HVAC equipment shall vent through the roof and rooftop vents shall be complimentary in color to the roofing material. Any rooftop mechanical equipment shall be architecturally screened from view.
16. A note shall be added to the Conceptual Plan that states all utility meters, transformers, ground-mounted equipment, and other utilities shall be placed on building facades that do not face a public street.
17. The PUD Conceptual Plan shall demonstrate the location of any outdoor refuse collection container enclosure and provide a statement that any such structure will be constructed with masonry materials that match the primary buildings and 100% opaque steel gates. Any enclosure structure should also include non-gated pedestrian entrance and be sized to accommodate recycling containers. If no outdoor enclosures are proposed, then a note should be added to state that all refuse collection containers must be located within the building.
18. A note shall be added to the PUD Conceptual Plan that states all site lighting shall be directed downward and shielded from adjoining properties. Any pole mounted lighting along private walkways shall not exceed 15 feet in height and any pole mounted lighting in a parking area shall not exceed 20 feet in height. Private light poles and pole mounted light fixtures are to be similar in style to a KIM Archetype light fixture, an AEL Autobahn LED Series ATBO light fixture, or of other similar esthetic quality as approved by the Community Development Director.
19. A note shall be added to the PUD Conceptual Plan that states all utility service lines to any building shall be underground; and
