If selection by lot within a maturity is required, the Registrar shall designate the Bonds to be redeemed by random selection of the names of the registered owners of the entire annual maturity until the total amount of Bonds to be called has been reached.

Section 7. Issuance of Bonds in Book-Entry Form; Replacement Bonds.

(a) Notwithstanding the other provisions of this Resolution regarding registration, ownership, transfer, payment and exchange of the Bonds, unless the Issuer determines to permit the exchange of Depository Bonds for Bonds in the Authorized Denominations, the Bonds shall be issued as Depository Bonds in denominations of the entire principal amount of each maturity of Bonds (or, if a portion of the principal amount is prepaid, the principal amount less the prepaid amount); and such Depository Bonds shall be registered in the name of Cede & Co., as nominee of DTC. Payment of semi-annual interest for any Depository Bond shall be made by wire transfer or New York Clearing House or equivalent next day funds to the account of Cede & Co. on the interest payment date for the Bonds at the address indicated in or pursuant to the Representation Letter.

Without limiting the immediately preceding sentence, neither the Issuer nor the Paying Agent shall have any responsibility or obligation with respect to (i) the accuracy of the records of DTC or its nominee or of any Participant with respect to any ownership interest in the Bonds, (ii) the delivery to any Participant, any Beneficial Owner or any other person, other than DTC or its nominee, of any notice with respect to the Bonds, (iii) the payment to any Participant, any Beneficial Owner or any other person, other than DTC or its nominee, of any amount with respect to the principal of, premium, if any, or interest on the Bonds, or (iv) the failure of DTC to provide any information or notification on behalf of any Participant or Beneficial Owner.

The Issuer and the Paying Agent may treat DTC or its nominee as, and deem DTC or its nominee to be, the absolute owner of each Bond for the purpose of payment of the principal of, premium, if any, and interest on such Bond, for the purpose of all other matters with respect to such Bond, for the purpose of registering transfers with respect to such Bonds, and for all other purposes whatsoever (except for the giving of certain Bondholder consents, in accordance with the practices and procedures of DTC as may be applicable thereto). The Paying Agent shall pay

all principal of, premium, if any, and interest on the Bonds only to or upon the order of the Bondholders as shown on the Registration Books, and all such payments shall be valid and effective to fully satisfy and discharge the Issuer's obligations with respect to the principal of, premium, if any, and interest on the Bonds to the extent so paid. Notwithstanding the provisions of this Resolution to the contrary (including without limitation those provisions relating to the surrender of Bonds, registration thereof, and issuance in Authorized Denominations), as long as the Bonds are Depository Bonds, full effect shall be given to the Representation Letter and the procedures and practices of DTC thereunder, and the Paying Agent shall comply therewith.

(d) To the extent authorized by law, if the Issuer determines to provide for the exchange of Depository Bonds for Bonds in Authorized Denominations, the Issuer shall so notify the Paying Agent and shall provide the Registrar with a supply of executed unauthenticated Bonds to be so exchanged. The Registrar shall thereupon notify the owners of the Bonds and provide for such exchange, and to the extent that the Beneficial Owners are designated as the transferee by the owners, the Bonds will be delivered in appropriate form, content and Authorized Denominations to the Beneficial Owners, as their interests appear.

(e) Any substitute depository shall be designated in writing by the Issuer to the Paying Agent. Any such substitute depository shall be a qualified and registered "clearing agency" as provided in Section 17A of the Securities Exchange Act of 1934, as amended. The substitute depository shall provide for (i) immobilization of the Depository Bonds, (ii) registration and transfer of interests in Depository Bonds by book entries made on records of the depository or its nominee and (iii) payment of principal of, premium, if any, and interest on the Bonds in accordance with and as such interests may appear with respect to such book entries.

The terms of redemption shall be par, plus accrued interest to date of call.

Thirty days' written notice of redemption shall be given to the registered owner of the Bond. Failure to give such notice to any registered owner of the Bonds or any defect therein shall not affect the validity of any proceedings for the redemption of the Bonds. All Bonds or portions thereof called for redemption will cease to bear interest after the specified redemption date, provided funds for their redemption are on deposit at the place of payment.

If selection by lot within a maturity is required, the Registrar shall designate the Bonds to be redeemed by random selection of the names of the registered owners of the entire annual maturity until the total amount of Bonds to be called has been reached.

Ownership of this Bond may be transferred only by transfer upon the books kept for such purpose by the Finance Director, City of Des Moines, Iowa, the Registrar. Such transfer on the books shall occur only upon presentation and surrender of this Bond at the office of the Registrar as designated below, together with an assignment duly executed by the owner hereof or his duly authorized attorney in the form as shall be satisfactory to the Registrar. Issuer reserves the right to substitute the Registrar and Paying Agent but shall, however, promptly give notice to registered bondholders of such change. An amount equal to \$64,925.00 shall be held by the Finance Director and applied to pay the costs of issuance of the Bonds.

An amount equal to \$5,476,831.47 shall be deposited to the Project Fund and expended therefrom for the New Money purposes of issuance.

An amount equal to \$8,749,422.89 shall be deposited in trust with the Finance Director for the payment of the Refunded Bonds and is irrevocably appropriated exclusively to the payment of principal of, interest on and premium, if any, due on the redemption thereof. Said amount shall be held separately from all other moneys or accounts, in cash or direct obligations of the United States, maturing on or before the Call Date of the Refunded Bonds, and is determined to be sufficient to retire on the designated Call Date all of such obligations, together with the interest thereon to the designated redemption date and premium thereon, if any, that may be payable on the redemption of the same.

The Refunded Bonds are called and shall be redeemed as of the Call Date. The Clerk is hereby authorized and directed to cause notice of such redemption to be given in compliance with the terms of the Refunded Bonds.

The Project Fund shall be invested in accordance with Section 19 of this Resolution. Earnings on investments of the Project Fund shall be deposited in and expended from the Project Fund. Any amounts on hand in the Project Fund shall be available for the payment of the principal of or interest on the Bonds at any time that other funds of the System shall be insufficient to the purpose, in which event such funds shall be repaid to the Project Fund at the earliest opportunity. Any balance on hand in the Project Fund and not immediately required for its purposes may be invested not inconsistent with limitations provided by law, the Internal Revenue Code and this Resolution. Any excess proceeds remaining on hand after completion of the purpose of issuance shall be used to call or otherwise retire Bonds.

The rates or charges shall be paid by the owner of each and every lot, parcel of real estate, or building that is connected with and uses the System, by or through any part of the System or that in any way uses or is served by the System. So long as the Bonds are outstanding and unpaid the rates or charges to consumers of services of the System shall be sufficient in each year for the payment of the proper and reasonable expenses of operation and maintenance of the System and for the payment of principal and interest on the Bonds and Parity Bonds and obligations as the same fall due, and to provide for the creation of reserves as hereinafter provided.

Any revenues paid and collected for the use of the System and its services by the Issuer or any department, agency or instrumentality of the Issuer shall be used and accounted for in the same manner as any other revenues derived from the operations of the System.

Section 17. Application of Revenues. From and after the delivery of any Bonds, and as long as any of the Bonds or Parity Bonds shall be outstanding and unpaid either as to principal or as to interest, or until all of the Bonds and Parity Bonds then outstanding shall have been discharged and satisfied in the manner provided in this Resolution, the entire income and revenues of the System shall be deposited as collected in a fund to be known as the Stormwater Management Utility Revenue Fund (the "Revenue Fund"), and shall be disbursed only as follows:

(a) Operation and Maintenance Fund. Money in the Revenue Fund shall first be disbursed to make deposits into a separate and special fund to pay current expenses. The fund shall be known as the Stormwater Management Utility Revenue Operation and Maintenance Fund (the "Operation and Maintenance Fund"). There shall be deposited in the Operation and Maintenance Fund each month an amount sufficient to meet the current expenses of the month plus an amount equal to 1/12th of expenses payable on an annual basis such as insurance. After the first day of the month, further deposits may be made to this account from the Revenue Fund to the extent necessary to pay current expenses accrued and payable to the extent that funds are not available in the Surplus Fund.

(b) Sinking Fund. Money in the Revenue Fund shall next be disbursed to make deposits into a separate and special fund to pay the principal and interest requirements of the Fiscal Year on the Bonds and Parity Bonds. The fund shall be known as the Stormwater Management Utility Revenue Bond and Interest Sinking Fund (the "Sinking Fund"). The required amount to be deposited in the Sinking Fund in any month shall be the equal monthly amount necessary to pay in full the installment of interest coming due on the next interest payment date on the then outstanding Bonds and Parity Bonds plus the equal monthly amount necessary to pay in full the installment of principal coming due on such Bonds on the next succeeding principal payment date until the full amount of such installment is on hand. If for any reason the amount on hand in the Sinking Fund exceeds the required amount, the excess shall forthwith be withdrawn and paid into the Revenue Fund. Money in the Sinking Fund shall be used solely for the purpose of paying principal of and interest on the Bonds and Parity Bonds as the same shall become due and payable.

(c) Reserve Fund. Money in the Revenue Fund shall next be disbursed to maintain a debt service reserve in an amount equal to the Reserve Fund Requirement. Such fund shall be known as the Stormwater Management Utility Revenue Debt Service Reserve Fund (the "Reserve Fund"). In each month there shall be deposited in the Reserve Fund an amount equal to 25 percent of the amount required by this Resolution to be deposited in such month in the Sinking Fund; provided, however, that when the amount on deposit in the Reserve Fund shall be not less than the Reserve Fund Requirement, no further deposits shall be made into the Reserve Fund except to maintain such level, and when the amount on deposit in the Reserve Fund is greater than the balance required above, such additional amounts shall be withdrawn and paid into the Revenue Fund. Money in the Reserve Fund shall be used solely for the purpose of paying principal at maturity of or interest on the Bonds and Parity Bonds for the payment of which insufficient money shall be available in the Sinking Fund. Whenever it shall become necessary to so use money in the Reserve Fund, the payments required above shall be continued or resumed until it shall have been restored to the required minimum amount.

(d) Subordinate Obligations. Money in the Revenue Fund may next be used to pay principal of and interest on (including reasonable reserves therefor) any other obligations which by their terms shall be payable from the revenues of the System, but subordinate to the Bonds and Parity Bonds, and which have been issued for the purposes of extensions and improvements to the System or to retire the Bonds or Parity Bonds in advance of maturity, or to pay for extraordinary repairs or replacements to the System.

(e) Surplus Revenue. All money thereafter remaining in the Revenue Fund at the close of each month may be deposited in any of the funds created by this Resolution, may be used to pay for extraordinary repairs or replacements to the System, or may be used to pay or redeem the Bonds or Parity Bonds or any of them, or for any lawful purpose.

Money in the Revenue Fund shall be allotted and paid into the various funds and accounts hereinbefore referred to in the order in which the funds are listed, on a cumulative basis on the 10th day of each month, or on the next succeeding business day when the 10th shall not be a business day; and if in any month the money in the Revenue Fund shall be insufficient to deposit or transfer the required amount in any of the funds or accounts, the deficiency shall be made up in the following month or months after payments into all funds and accounts enjoying a prior claim to the revenues shall have been met in full. The provisions of this Section shall not be construed to require the Issuer to maintain separate bank accounts for the funds created by this Section; except the Sinking Fund and the Reserve Fund shall be maintained in a separate account but may be invested in conjunction with other funds of the City but designated as a trust fund on the books and records of the City.

Section 18. Outstanding Bonds. Nothing in this Resolution shall be construed to impair the rights vested in the Outstanding Bonds. The amounts herein required to be paid into the various funds named in this Resolution shall be inclusive of payments required in respect to the Outstanding Bonds. The provisions of the resolution or resolutions referred to in Section 1 of this Resolution and the provisions of this Resolution are to be construed wherever possible so that the same will not be in conflict. In the event such construction is not possible, the provisions of the resolution first adopted shall prevail until such time as the Bonds authorized by the resolution have been paid in full or otherwise satisfied as therein provided at which time the provisions of this Resolution shall again prevail.

Section 19. Investments. All of the funds provided by this Resolution may be invested only in Permitted Investments or deposited in financial institutions which are members of the Federal Deposit Insurance Corporation or its equivalent successor, and the deposits in which are insured thereby and all such deposits exceeding the maximum amount insured from time to time by FDIC or its equivalent successor in any one financial institution shall be continuously secured in compliance with Chapter 12C of the Code of Iowa, 2015, as amended, or otherwise by a valid pledge of direct obligations of the United States Government having an equivalent market value. All such interim investments shall mature before the date on which the moneys are required for the purposes for which the fund was created or otherwise as herein provided but in no event maturing in more than three years in the case of the Reserve Fund.

All income derived from such investments shall be deposited in the Revenue Fund and shall be regarded as revenues of the System. Investments shall at any time necessary be liquidated and the proceeds thereof applied to the purpose for which the respective fund was created.

Section 20. Covenants Regarding the Operation of the System. The Issuer hereby covenants and agrees with each and every holder of the Bonds and Parity Bonds:

(a) Maintenance and Efficiency. The Issuer will maintain the System in good condition and operate it in an efficient manner and at reasonable cost.

(b) Sufficiency of Rates. On or before the beginning of each Fiscal Year the Governing Body will adopt or continue in effect rates for all services rendered by the System determined to be sufficient to produce Net Revenues for the next succeeding Fiscal Year adequate to pay principal and interest requirements and create reserves as provided in this Resolution but not less than 110 percent of the principal and interest requirements of the Fiscal Year. No free use of the System by the Issuer or any department, agency or instrumentality of the Issuer shall be permitted except upon the determination of the Governing Body that the rates and charges otherwise in effect are sufficient to provide Net Revenues at least equal to the requirements of this subsection.

(c) Insurance. The proceeds of any insurance, except public liability insurance, shall be used to repair or replace the part or parts of the System damaged or destroyed, or if not so used shall be placed in the Revenue Fund.

(d) Accounting and Audits. The Issuer will cause to be kept proper books and accounts adapted to the System and in accordance with generally accepted accounting practices, and will diligently act to cause the books and accounts to be audited annually, or as otherwise required by law, by an Independent Auditor. The holders of any of the Bonds and Parity Bonds shall have at all reasonable times the right to inspect the System and the records, accounts and data of the Issuer relating thereto.

(e) State Laws. The Issuer will faithfully and punctually perform all duties with reference to the System required by the Constitution and laws of the State of Iowa, including the making and collecting of reasonable and sufficient rates for services rendered by the System as above provided, and will segregate the revenues of the System and apply the revenues to the funds specified in this Resolution.

(f) Property. The Issuer will not sell, lease, mortgage or in any manner dispose of the System, or any capital part thereof, including any and all extensions and additions that may be made thereto, until satisfaction and discharge of all of the Bonds and Parity Bonds shall have been provided for in the manner provided in this Resolution; provided, however, that this covenant shall not be construed to prevent the disposal by the Issuer of property which in the judgment of its Governing Body has become inexpedient or unprofitable to use in connection with the System, or if it is to the advantage of the System that other property of equal or higher value be substituted therefor, and provided further that the proceeds of the disposition of such property shall be placed in a revolving fund and used in preference to other sources for capital improvements to the System. Any such proceeds of the disposition of property acquired with the proceeds of the Bonds or Parity Bonds shall not be used to pay principal or interest on the Bonds and Parity Bonds or for payments into the Sinking Fund or Reserve Fund.

(g) Fidelity Bond. The Issuer shall maintain fidelity bond coverage in amounts which normally would be carried by private companies engaged in a similar kind of business on each officer or employee having custody of funds of the System.

(h) Additional Charges. The Issuer will require proper connecting charges and/or other security for the payment of service charges.

Such budget shall take into account revenues and current expenses during the current and last preceding Fiscal Years. Copies of such budget and any amendments thereto shall be provided to the holders of any of the Bonds upon request.

Section 21. Remedies of Bondholders. Except as herein expressly limited the holder or holders of the Bonds and Parity Bonds shall have and possess all the rights of action and remedies afforded by the common law, the Constitution and statutes of the State of Iowa, and of the United States of America, for the enforcement of payment of their Bonds and interest thereon, and of the pledge of the revenues made hereunder, and of all covenants of the Issuer hereunder.

Section 22. Prior Lien and Parity Bonds. The Issuer will issue no other Bonds or obligations of any kind or nature payable from or enjoying a lien or claim on the property or revenues of the System having priority over the Bonds or Parity Bonds.

Additional Bonds may be issued on a parity and equality of rank with the Bonds with respect to the lien and claim of such Additional Bonds to the revenues of the System and the money on deposit in the funds adopted by this Resolution, for the following purposes and under the following conditions, but not otherwise:

(a) For the purpose of refunding any of the Bonds or Parity Bonds which shall have matured or which shall mature not later than three months after the date of delivery of such refunding bonds and for the payment of which there shall be insufficient money in the Sinking Fund and the Reserve Fund;

(b) For the purpose of refunding any Bonds, Parity Bonds or general obligation bonds outstanding, or making extensions, additions, improvements or replacements to the System, if all of the following conditions shall have been met:

(i) before any such Additional Bonds ranking on a parity are issued, there will have been procured and filed with the Clerk, a statement of an Independent Auditor or independent financial consultant or a consulting engineer, not a regular employee of the Issuer, reciting the opinion based upon necessary investigations that the Net Revenues of the System for the preceding Fiscal Year (with adjustments as hereinafter provided) were equal to at least 1.10 times the maximum amount that will be required in any Fiscal Year prior to the longest maturity of any of the Bonds or Parity Bonds for both principal of and interest on

all Bonds or Parity Bonds then outstanding which are payable from the net earnings of the System and the Additional Bonds then proposed to be issued.

For the purpose of determining the Net Revenues of the System for the preceding Fiscal Year as aforesaid, the amount of the gross revenues for such year may be adjusted by an Independent Auditor or independent financial consultant or a consulting engineer, not a regular employee of the Issuer, so as to reflect any changes in the amount of such revenues which would have resulted had any revision of the schedule of rates or charges imposed at or prior to the time of the issuance of any such Additional Bonds been in effect during all of such preceding Fiscal Year.

(ii) the Additional Bonds must be payable as to principal and as to interest on the same month and day as the Bonds herein authorized.

(iii) for the purposes of this Section, principal and interest falling due on the first day of a Fiscal Year shall be deemed a requirement of the immediately preceding Fiscal Year.

(iv) for the purposes of this Section, general obligation bonds shall be refunded only upon a finding of necessity by the Governing Body and only to the extent the general obligation bonds were issued or the proceeds of them were expended for the System.

(v) for purposes of this Section, "preceding Fiscal Year" shall be the most recently completed Fiscal Year for which audited financial statements prepared by a certified public accountant are issued and available, but in no event a Fiscal Year which ended more than eighteen months prior to the date of issuance of the Additional Bonds.

Section 23. Disposition of Bond Proceeds; Arbitrage Not Permitted. The Issuer reasonably expects and covenants that no use will be made of the proceeds from the issuance and sale of the Bonds issued hereunder which will cause any of the Bonds to be classified as arbitrage bonds within the meaning of Section 148(a) and (b) of the Internal Revenue Code of the United States, and that throughout the term of the Bonds it will comply with the requirements of the statute and regulations issued thereunder.

To the best knowledge and belief of the Issuer, there are no facts or circumstances that would materially change the foregoing statements or the conclusion that it is not expected that the proceeds of the Bonds will be used in a manner that would cause the Bonds to be arbitrage bonds. Without limiting the generality of the foregoing, the Issuer hereby agrees to comply with

The Finance Director is hereby directed to make and insert all calculations and determinations necessary to complete the Tax Exemption Certificate in all respects and to execute and deliver the Tax Exemption Certificate at issuance of the Bonds to certify as to the reasonable expectations and covenants of the Issuer at that date.

The Issuer covenants that it will treat as Yield Restricted any proceeds of the Bonds remaining unexpended after three years from the issuance and any other funds required by the Tax Exemption Certificate to be so treated. If any investments are held with respect to the Bonds and Parity Bonds, the Issuer shall treat the same for the purpose of restricted yield as held in proportion to the original principal amounts of each issue.

The Issuer covenants that it will exceed any investment yield restriction provided in this Resolution only in the event that it shall first obtain an opinion of recognized bond counsel that the proposed investment action will not cause the Bonds to be classified as arbitrage bonds under Section 148(a) and (b) of the Internal Revenue Code or regulations issued thereunder.

The Issuer covenants that it will proceed with due diligence to spend the proceeds of the Bonds for the purpose set forth in this Resolution. The Issuer further covenants that it will make no change in the use of the proceeds available for the construction of facilities or change in the use of any portion of the facilities constructed therefrom by persons other than the Issuer or the general public unless it has obtained an opinion of bond counsel or a revenue ruling that the proposed project or use will not be of such character as to cause interest on any of the Bonds not to be exempt from federal income taxes in the hands of holders other than substantial users of the project, under the provisions of Section 142(a) of the Internal Revenue Code of the United States, related statutes and regulations.

Section 24. Additional Covenants, Representations and Warranties of the Issuer. The Issuer certifies and covenants with the purchasers and holders of the Bonds from time to time outstanding that the Issuer through its officers, (a) will make such further specific covenants, representations and assurances as may be necessary or advisable; (b) comply with all representations, covenants and assurances contained in the Tax Exemption Certificate, which Tax Exemption Certificate shall constitute a part of the contract between the Issuer and the owners of the Bonds; (c) consult with bond counsel (as defined in the Tax Exemption Certificate); (d) pay to the United States, as necessary, such sums of money representing required rebates of excess arbitrage profits relating to the Bonds; (e) file such forms, statements and supporting documents as may be required and in a timely manner; and (f) if deemed necessary or advisable by its officers, to employ and pay fiscal agents, financial advisors, attorneys and other persons to assist the Issuer in such compliance.

Section 25. Discharge and Satisfaction of Bonds. The covenants, liens and pledges entered into, created or imposed pursuant to this Resolution may be fully discharged and satisfied with respect to the Bonds and Parity Bonds, or any of them, in any one or more of the following ways:

(a) By paying the Bonds or Parity Bonds when the same shall become due and payable; and

(b) By depositing in trust with the Finance Director, or with a corporate trustee designated by the Governing Body for the payment of the obligations and irrevocably appropriated exclusively to that purpose an amount in cash or direct obligations of the United States the maturities and income of which shall be sufficient to retire at maturity, or by redemption prior to maturity on a designated date upon which the obligations may be redeemed, all of such obligations outstanding at the time, together with the interest thereon to maturity or to the designated redemption date, premiums thereon, if any that may be payable on the redemption of the same; provided that proper notice of redemption of all such obligations to be redeemed shall have been previously published or provisions shall have been made for such publication.

Upon such payment or deposit of money or securities, or both, in the amount and manner provided by this Section, all liability of the Issuer with respect to the Bonds or Parity Bonds shall cease, determine and be completely discharged, and the holders thereof shall be entitled only to payment out of the money or securities so deposited.

Section 26. Resolution a Contract. Section 28. Amendment of Resolution Requiring Consent. This Resolution may be amended from time to time if such amendment shall have been consented to by holders of not less than two-thirds in principal amount of the Bonds and Parity Bonds at any time outstanding (not including in any case any Bonds which may then be held or owned by or for the account of the Issuer, but including such Refunding Bonds as may have been issued for the purpose of refunding any of such Bonds if such Refunding Bonds shall not then be owned by the Issuer); but this Resolution may not be so amended in such manner as to:

(a) Make any change in the maturity or interest rate of the Bonds, or modify the terms of payment of principal of or interest on the Bonds or any of them or impose any conditions with respect to such payment;

(b) Materially affect the rights of the holders of less than all of the Bonds and Parity Bonds then outstanding; and

(c) Reduce the percentage of the principal amount of Bonds, the consent of the holders of which is required to effect a further amendment.

Whenever the Issuer shall propose to amend this Resolution under the provisions of this Section, it shall cause notice of the proposed amendment to be filed with the Original Purchaser and to be mailed by certified mail to each registered owner of any Bond as shown by the records of the Registrar.
