WHEREAS, the City Manager has negotiated an Urban Renewal Development Agreement (the "Agreement") with Hubbell Realty Company (the "Developer") whereby the Developer has agreed to develop a 50-unit multifamily housing project at 550 Watson Powell Jr. Way, all as more fully described in the accompanying Council Communication; and,

WHEREAS, the proposed Agreement and Conceptual Development Plan are on file and available for inspection in the office of the City Clerk; and,

WHEREAS, at its meeting on November 15, 2016, the Urban Design Review Board voted 7-0 to recommend approval of the design and financial assistance, subject to review and approval of exterior materials and landscaping plan.

NOW THEREFORE, BE IT RESOLVED, by the City Council of the City of Des Moines, Iowa, as follows:

1. The City Council hereby makes the following findings in support of the proposed Agreement with the Developer:
 - a) The Developer's obligations to construct the Improvements as provided by the Agreement furthers the objectives of the Urban Renewal Plan to provide additional housing, employment opportunities and tax base in the Metro Center Urban Renewal Project Area, and to preserve and create an environment which will protect the health, safety and general welfare of City residents.
 - b) The economic development incentives for the creation of the employment opportunities and development of the Improvements are provided by the City to Developer pursuant to the Urban Renewal Law and Chapter 15A of the Code of Iowa, and Developer's obligations under this Agreement to construct the Improvements will generate the following public gains and benefits: (i) it will advance the improvement and redevelopment of the Metro Center Urban Renewal Area in accordance with the Urban Renewal Plan; (ii) it will encourage further private investment to reverse the pattern of disinvestment and declining property values in the surrounding area; and, (iii) it will further the City's efforts to retain and create job opportunities within the Urban Renewal Area which might otherwise be lost.
 - c) The construction of the Improvements is a speculative venture and the construction and resulting benefits would not occur without the economic incentives provided by this Agreement.
