If for any reason the amount on hand in the Sinking Fund exceeds the required amount, the excess shall forthwith be withdrawn and paid into the Revenue Fund. Money in the Sinking Fund shall be used solely for the purpose of paying principal of and interest on the Notes and Parity Obligations as the same shall become due and payable.

- Subordinate Obligations. Money in the Revenue Fund may next be used to pay principal of and interest on (including any reasonable reserves imposed therefor) any other obligations which by their terms shall be payable from the revenues of the System, but subordinate to the Notes and Parity Obligations, and which have been issued for the purposes of extensions and improvements to the System or to retire the Notes or Parity Obligations in advance of maturity, or to pay for extraordinary repairs or replacements to the System.

- Surplus Revenue. All money thereafter remaining in the Revenue Fund at the close of each month may be deposited in any of the funds created by this Resolution, to pay for extraordinary repairs or replacements to the System, or may be used to pay or redeem the Notes or Parity Obligations, any of them, or for any lawful purpose.

Section 18. Investments. Moneys on hand in the Project Fund and all of the funds provided by this Resolution may be invested only in Permitted Investments or deposited in financial institutions which are members of the Federal Deposit Insurance Corporation, or its equivalent successor, and the deposits of which are insured thereby and all such deposits exceeding the maximum amount insured from time to time by FDIC or its equivalent successor in any one financial institution shall be continuously secured in compliance with Iowa Code chapter 12C, or otherwise by a valid pledge of direct obligations of the United States Government having an equivalent market value. All investments shall mature before the date on which the moneys are required for the purposes for which the fund was created or otherwise as

herein provided. The provisions of this Section shall not be construed to require the Issuer to maintain separate accounts for the funds created by this Resolution.

The Sinking Fund shall be segregated in a separate account but may be invested in the same manner as other funds of the Issuer but designated as a trust fund on the books and records of the Issuer. The Sinking Fund shall not be available for any other purposes other than those specified in this Resolution.

All income derived from such investments shall be deposited in the Revenue Fund and shall be regarded as revenues of the System. Investments shall at any time necessary be liquidated and the proceeds thereof applied to the purpose for which the respective fund was created.

Section 19. Covenants Regarding the Operation of the System. The Issuer hereby covenants and agrees with each and every holder of the Notes and Parity Obligations:

(a) Maintenance and Efficiency. The Issuer will maintain the System in good condition and operate it in an efficient manner and at reasonable cost.

(b) Sufficiency of Rates. On or before the beginning of each Fiscal Year the Governing Body will adopt or continue in effect rates for all services rendered by the System determined to be sufficient to produce Net Revenues for the next succeeding Fiscal Year which are (i) adequate to pay the principal and interest requirements thereof and to create or maintain the reserves as provided in this Resolution, and (ii) not less than 110 percent of the principal and interest requirements of the next succeeding Fiscal Year. No free use of the System by the Issuer or any department, agency or instrumentality of the Issuer shall be permitted except upon the determination of the Governing Body that the rates and changes otherwise in effect are sufficient to provide Net Revenues at least equal to the requirements of this subsection.

(c) Insurance. The Issuer shall maintain insurance for the benefit of the Noteholders on the insurable portions of the System of a kind and in an amount which normally would be carried by private companies engaged in a similar kind of business. The proceeds of any insurance, except public liability insurance, shall be used to repair or replace the part or parts of the System damaged or destroyed, or if not so used shall be placed in an improvement fund for the benefit of the System.

(d) Accounting and Audits. The Issuer will cause to be kept proper books and accounts adapted to the System and in accordance with generally accepted accounting practices and will diligently act to cause the books and accounts to be audited and reported upon by an Independent Auditor and will provide copies of the audit report to the Department, all as provided in the Agreement. The Original Purchaser and holders of any of the Notes and Parity Obligations shall have at all reasonable times the right to inspect the System and the records, accounts and data of the Issuer relating thereto.

(e) State Laws. The Issuer will faithfully and punctually perform all duties with reference to the System required by the Constitution and laws of the State of Iowa, including the making and collecting of reasonable and sufficient rates for services rendered by the System as above provided, and will segregate the revenues of the System and apply said revenues to the funds specified in this Resolution.

(f) Property. The Issuer will not sell, lease, mortgage or in any manner dispose of the System, or any capital part thereof, including any and all extensions and additions that may be made thereto, until satisfaction and discharge of all of the Notes and Parity Obligations shall have been provided for in the manner provided in this Resolution; provided, however, this covenant shall not be construed to prevent the disposal by the Issuer of property which in the judgment of its Governing Body has become inexpedient or unprofitable to use in connection with the System, or if it is to the advantage of the System that other property of equal or higher value be substituted therefor, and provided further that the proceeds of the disposition of such property shall be placed in a revolving fund to be used in preference to other sources for capital improvements to the System. Any such proceeds of the disposition of property acquired with the proceeds of the Notes or Parity Obligations shall not be used to pay principal or interest on the Notes and Parity Obligations or for payments into the Sinking or Reserve Funds.

(g) Fidelity Bond. That the Issuer shall maintain fidelity bond coverage in amounts which normally would be carried by private companies engaged in a similar kind of business on each officer or employee having custody of funds of the System.

(h) Additional Charges. The Issuer will require proper connecting charges and/or other security for the payment of service charges.

(i) Budget. The Governing Body of the Issuer shall approve and conduct operations pursuant to a system budget of revenues and current expenses for each Fiscal

Year. Such budget shall take into account revenues and current expenses during the current and last preceding Fiscal Years. Copies of such budget and any amendments thereto shall be mailed to the Original Purchaser and to the Noteholders upon request.

(j) Loan and Disbursement Agreement. The Issuer will comply with the terms and conditions of the Loan and Disbursement Agreement and perform as provided thereunder.

Section 20. Remedies of Noteholders. Except as herein expressly limited the holder or holders of the Notes and Parity Obligations shall have and possess all the rights of action and remedies afforded by the common law, the Constitution and statutes of the State of Iowa, and of the United States of America, for the enforcement of payment of their Notes and interest thereon, and of the pledge of the revenues made hereunder, and of all covenants of the Issuer hereunder.

Section 21. Prior Lien and Parity Obligations. The Issuer may issue other notes, bonds or obligations of any kind or nature payable from or enjoying a lien or claim on the property or revenues of the System enjoying a first lien and having priority over the Notes or Parity Obligations, or as Parity Obligations.

Except with respect to the \$6,093,000 Stormwater Management Utility Revenue Capital Loan Notes, Series 2018F (Subordinate), being issued contemporaneously with the Notes, additional obligations may be issued having priority over the Notes and Parity Obligations or on a parity and equality of rank with the Notes with respect to the lien and claim of such additional obligations to the revenues of the System and the money on deposit in the funds adopted by this Resolution, for the following purposes and under the following conditions, but not otherwise:

(a) For the purpose of refunding any of the Outstanding Obligations, other first lien obligations, Notes or Parity Obligations, which shall have matured or which shall mature not later than three months after the date of delivery of such refunding obligation and for the payment of which there shall be insufficient money in the Sinking Fund and the Reserve Fund;

(b) For the purpose of making extensions, additions, improvements or replacements to the System, or refunding any Outstanding Obligations, outstanding first lien obligation, Notes or Parity Obligations issued for such extensions, additions and improvements, if all of the following conditions shall have been met:

(i) before any such Additional Bonds ranking on a parity are issued, there will have been procured and filed with the Clerk, a statement of an Independent Auditor, not a regular employee of the Issuer, reciting the opinion based upon necessary investigations that the Net Revenues of the System for the preceding Fiscal Year (with adjustments as hereinafter provided) were equal to at least 1.10 times the maximum amount that will be required in any Fiscal Year prior to the longest maturity of any of the then Outstanding Obligations, outstanding first lien obligations, Notes or Parity Obligations for both principal of and interest on all Outstanding Obligations, first lien obligations, Notes or Parity Obligations then outstanding which are payable from the net earnings of the System and the Additional Bonds then proposed to be issued.

For the purpose of determining the Net Revenues of the System for the preceding Fiscal Year as aforesaid, the amount of the gross revenues for such year may be adjusted by an independent consulting engineer or by the Independent Auditor, so as to reflect any changes in the amount of such revenues which would have resulted had any revision of the schedule of rates or charges imposed at or prior to the time of the issuance of any such Additional Bonds been in effect during all of such preceding Fiscal Year.

(ii) the Additional Bonds must be payable as to principal and as to interest on the same month and day as the Notes herein authorized.

(iii) for the purposes of this Section, principal and interest falling due on the first day of a Fiscal Year shall be deemed a requirement of the immediately preceding Fiscal Year.

(iv) for the purposes of this Section, general obligation bonds or notes shall be refunded only upon a finding of necessity by the Governing Body and only to the extent the general obligation bonds or notes were issued or the proceeds thereof were expended for the System.

(v) for purposes of this Section, "preceding Fiscal Year" shall be the most recently completed Fiscal Year for which audited financial statements prepared by a certified public accountant are issued and available, but in no event a Fiscal Year which ended more than eighteen months prior to the date of issuance of the Additional Bonds.

Section 22. Conversion.

For the purpose of converting the Notes to a lien ranking on parity with the Outstanding Obligations, all of the following conditions must have been met:

- (a) there will have been procured and filed with the Clerk, a statement of an Independent Auditor, not a regular employee of the Issuer, reciting the opinion based upon necessary investigations that the Net Revenues of the System for the preceding Fiscal Year (with adjustments as hereinafter provided) were equal to at least 1.10 times the maximum amount that will be required in any Fiscal Year prior to the longest maturity of any of the then outstanding Notes, Outstanding Obligations and any Parity Obligations then being converted to a parity with the Outstanding Obligations, for both principal of and interest on all Notes, Outstanding Obligations and any Parity Obligations then being converted to a parity with the Outstanding Obligations which are payable from the net earnings of the System.

For the purpose of determining the Net Revenues of the System for the preceding Fiscal Year as aforesaid, the amount of the gross revenues for such year may be adjusted by an independent consulting engineer or by the Independent Auditor, so as to reflect any changes in the amount of such revenues which would have resulted had any revision of the schedule of rates or charges imposed at or prior to the time of the conversion of the Notes been in effect during all of such preceding Fiscal Year.

- (b) for the purposes of this Section, "preceding fiscal year" shall be the most recently completed Fiscal Year for which audited financial statements prepared by a certified public accountant are issued and available, but in no event a Fiscal Year which ended more than eighteen months prior to the date of conversion.

Section 23. Disposition of Proceeds; Arbitrage Not Permitted. The Issuer reasonably expects and covenants that no use will be made of the proceeds from the issuance and sale of the Notes issued hereunder which will cause any of the Notes to be classified as arbitrage bonds within the meaning of Section 148(a) and (b) of the Internal Revenue Code of the United States, and that throughout the term of said Notes it will comply with the requirements of said statute and regulations issued thereunder.

To the best knowledge and belief of the Issuer, there are no facts or circumstances that would materially change the foregoing statements or the conclusion that it is not expected that the proceeds of the Notes will be used in a manner that would cause the Notes to be arbitrage bonds. Without limiting the generality of the foregoing, the Issuer hereby agrees to comply with the provisions of the Tax Exemption Certificate and the provisions of the Tax Exemption Certificate are hereby incorporated by reference as part of this Resolution. The Treasurer is hereby directed to make and insert all calculations and determinations necessary to complete the Tax Exemption Certificate in all respects and to execute and deliver the Tax Exemption Certificate at issuance of the Notes to certify as to the reasonable expectations and covenants of the Issuer at that date.

The Issuer covenants that it will treat as Yield Restricted any proceeds of the Notes remaining unexpended after three years from the issuance and any other funds required by the Tax Exemption Certificate to be so treated. If any investments are held with respect to the Notes and Parity Obligations, the Issuer shall treat the same for the purpose of restricted yield as held in proportion to the original principal amounts of each issue.

The Issuer covenants that it will exceed any investment yield restriction provided in this Resolution only in the event that it shall first obtain an opinion of recognized bond counsel that the proposed investment action will not cause the Notes to be classified as arbitrage bonds under Section 148(a) and (b) the Internal Revenue Code or regulations issued thereunder.

The Issuer covenants that it will proceed with due diligence to spend the proceeds of the Notes for the purpose set forth in this Resolution. The Issuer further covenants that it will make no change in the use of the proceeds available for the construction of facilities or change in the use of any portion of the facilities constructed therefrom by persons other than the Issuer or the general public unless it has obtained an opinion of bond counsel or a revenue ruling that the proposed project or use will not be of such character as to cause interest on any of the Notes not to be exempt from federal income taxes in the hands of holders other than substantial users of the project, under the provisions of Section 142(a) of the Internal Revenue Code of the United States, related statutes and regulations.

Section 24. Approval of Tax Exemption Certificate. Attached hereto is a form of Tax Exemption Certificate stating the Issuer's reasonable expectations as to the use of the proceeds of the Notes. The form of Tax Exemption Certificate is approved. The Issuer hereby agrees to comply with the provisions of the Tax Exemption Certificate and the provisions of the Tax Exemption Certificate are hereby incorporated by reference as part of this Resolution. Finance Director is hereby directed to make and insert all calculations and determinations necessary to complete the Tax Exemption Certificate at issuance of the Note to certify as to the reasonable expectations and covenants of the Issuer at that date.

Section 25. Additional Covenants, Representations and Warranties of the Issuer. The Issuer certifies and covenants with the purchasers and holders of the Notes from time to time outstanding that the Issuer through its officers, (a) will make such further specific covenants, representations and assurances as may be necessary or advisable; (b) comply with all representations, covenants and assurances contained in the Tax Exemption Certificate, which Tax Exemption Certificate shall constitute a part of the contract between the Issuer and the owners of the Notes; (c) consult with bond counsel (as defined in the Tax Exemption Certificate); (d) pay to the United States, as necessary, such sums of money representing required rebates of excess arbitrage profits relating to the Notes; (e) file such forms, statements and supporting documents as may be required and in a timely manner; and (f) if deemed necessary or advisable by its officers, to employ and pay fiscal agents, financial advisors, attorneys and other persons to assist the Issuer in such compliance.

Section 26. Amendment of Resolution to Maintain Tax Exemption. This Resolution may be amended without the consent of any owner of the Notes if, in the opinion of bond counsel, such amendment is necessary to maintain tax exemption with respect to the Notes under applicable Federal law or regulations.

Section 27. Discharge and Satisfaction of Notes. The covenants, liens and pledges entered into, created or imposed pursuant to this Resolution may be fully discharged and satisfied with respect to the Notes, or any of them, in any one or more of the following ways:

(a) By paying the Notes when the same shall become due and payable; and

(b) By depositing in trust with the Treasurer, or with a corporate trustee designated by the Governing Body, for the payment of said obligations and irrevocably appropriated exclusively to that purpose an amount in cash or direct obligations of the United States the maturities and income of which shall be sufficient to retire at maturity, or by redemption prior to maturity on a designated date upon which said obligations may be redeemed, all of such obligations outstanding at the time, together with the interest thereon to maturity or to the designated redemption date, premiums thereon, if any that may be payable on the redemption of the same; provided that proper notice of redemption of all such obligations to be redeemed shall have been previously published or provisions shall have been made for such publication.

Upon such payment or deposit of money or securities, or both, in the amount and manner provided by this Section, all liability of the Issuer with respect to the Notes shall cease, determine and be completely discharged, and the holders thereof shall be entitled only to payment out of the money or securities so deposited.

Section 28. Resolution a Contract. The provisions of this Resolution shall constitute a contract between the Issuer and the holder or holders of the Notes, and after the issuance of any of the Notes no change, variation or alteration of any kind in the provisions of this Resolution shall be made in any manner, except as provided in the next succeeding Section, until such time as all of the Notes, and interest due thereon, shall have been satisfied and discharged as provided in this Resolution.

Section 29. Amendment of Resolution Without Consent. The Issuer may, without the consent of or notice to any of the holders of the Bonds, amend or supplement this Resolution for any one or more of the following purposes:

- (a) to cure any ambiguity, defect, omission or inconsistent provision in this Resolution or in the Notes or Parity Obligations; or to comply with any applicable provision of law or regulation of federal or state agencies; provided, however, that such action shall not materially adversely affect the interests of the holders of the Notes;
- (b) to change the terms or provisions of this Resolution to the extent necessary to prevent the interest on the Notes from being includable within the gross income of the holders thereof for federal income tax purposes;
- (c) to grant to or confer upon the holders of the Notes any additional rights, remedies, powers or authority that may lawfully be granted to or conferred upon the holders of the Notes;
- (d) to add to the covenants and agreements of the Issuer contained in this Resolution other covenants and agreements of, or conditions or restrictions upon, the Issuer or to surrender or eliminate any right or power reserved to or conferred upon the Issuer in this Resolution; or
- (e) to subject to the lien and pledge of this Resolution additional pledged revenues as may be permitted by law.

Section 30. Amendment of Resolution Requiring Consent. This Resolution may be amended from time to time if such amendment shall have been consented to by holders of not less than two-thirds in principal amount of the Notes at any time outstanding (not including in

any case any Notes which may then be held or owned by or for the account of the Issuer, but including such Refunding Obligations as may have been issued for the purpose of refunding any of such Notes if such Refunding Obligations shall not then be owned by the Issuer); but this Resolution may not be so amended in such manner as to:

(a) Make any change in the maturity or interest rate of the Notes, or modify the terms of payment of principal of or interest on the Notes or any of them or impose any conditions with respect to such payment;

(b) Materially affect the rights of the holders of less than all of the Notes then outstanding; and

(c) Reduce the percentage of the principal amount of Notes, the consent of the holders of which is required to effect a further amendment.

Whenever the Issuer shall propose to amend this Resolution under the provisions of this Section, it shall cause notice of the proposed amendment to be filed with the Original Purchaser and to be mailed by certified mail to each registered owner of any Note as shown by the records of the Registrar. Such notice shall set forth the nature of the proposed amendment and shall state that a copy of the proposed amendatory Resolution is on file in the office of the City Clerk.

Whenever at any time within one year from the date of the mailing of said notice there shall be filed with the City Clerk an instrument or instruments executed by the holders of at least two-thirds in aggregate principal amount of the Notes then outstanding as in this Section defined, which instrument or instruments shall refer to the proposed amendatory Resolution described in said notice and shall specifically consent to and approve the adoption thereof, thereupon, but not otherwise, the Governing Body of the Issuer may adopt such amendatory Resolution and such Resolution shall become effective and binding upon the holders of all of the Notes.

Any consent given by the holder of a Note pursuant to the provisions of this Section shall be irrevocable for a period of six months from the date of the instrument evidencing such consent and shall be conclusive and binding upon all future holders of the same Note during such period. Such consent may be revoked at any time after six months from the date of such instrument by the holder who gave such consent or by a successor in title by filing notice of such revocation with the City Clerk.

The fact and date of the execution of any instrument under the provisions of this Section may be proved by the certificate of any officer in any jurisdiction who by the laws thereof is

The amount and numbers of the Notes held by any person executing such instrument and the date of his holding the same may be proved by an affidavit by such person or by a certificate executed by an officer of a bank or trust company showing that on the date therein mentioned such person had on deposit with such bank or trust company the Notes described in such certificate.

Notwithstanding anything in this Section to the contrary, the holder or holders of 100% of the Notes and Parity Obligations may consent to any amendment of this Resolution, or waive any notices required hereunder, on such terms and under such conditions as said holders shall determine to be appropriate.

Section 31. Severability. If any section, paragraph, or provision of this Resolution shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such section, paragraph or provision shall not affect any of the remaining provisions.

Section 32. Repeal of Conflicting Ordinances or Resolutions and Effective Date.
