NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Des Moines, Iowa, that:

1. The City Council hereby makes the following findings in support of the proposed Development Agreement with Developer:

- a. Developer's obligations under the Development Agreement to develop the Property for a 47-unit apartment building, furthers the objectives of the Metro Center Urban Renewal Plan to encourage and facilitate clearing, reconstructing, and/or rehabilitating slum and/or blighted areas in the City; to stimulate economic revitalization of the Urban Renewal Area; to encourage use of under-utilized land in the Urban Renewal Area; to remove conditions within the Urban Renewal Area that have prevented normal development of land by private enterprise; and to remove stagnant and unproductive conditions of land which is otherwise useful and viable for contributing to the public health, safety, and welfare.
- b. The economic development incentives for the development of the Project are provided by the City pursuant to the Urban Renewal Law and Chapter 15A of the Code of Iowa, and Developer's obligations under this Agreement to construct the Improvements will generate the following public gains and benefits: (i) it will advance the improvement and redevelopment of the Project Area in accordance with the Urban Renewal Plan; (ii) it will protect the health, safety, and general welfare of City residents; (iii) it will maintain and expand taxable property; and (iv) it will alleviate a shortage of housing.
- c. The construction of the Project is a speculative venture and the construction and the construction and resulting benefits would not occur without the economic incentives provided by the Development Agreement.
- d. The development of the Property pursuant to the Development Agreement, and the fulfillment generally of the Agreement, are in the vital and best interests of City and the health, safety, morals, and welfare of its residents, and in accord with the public purposes and provisions of the applicable state and local laws and requirements under which the Project has been undertaken, and warrant the provision of the economic assistance set forth in the Agreement.

2. The Urban Renewal Development Agreement between the City and Developer, and the Conceptual Development Plan attached thereto, both as on file in the office of the City Clerk, are hereby approved, and the Mayor and City Clerk are hereby authorized and directed to execute and attest to, respectively, the Agreement on behalf of the City of Des Moines.
