RESOLUTION APPROVING FINAL TERMS OF AN URBAN RENEWAL DEVELOPMENT AGREEMENT WITH UA STATION, LLC FOR THE CONSTRUCTION OF A 35-UNIT APARTMENT BUILDING AT 2211 UNIVERSITY AVENUE AND APPROVING CONCEPTUAL DEVELOPMENT PLAN

WHEREAS, UA Station, LLC (“Developer”), represented by Neighborhood Development Corporation proposes to undertake the construction of a 35-unit apartment building located at 2211 University Avenue, in Des Moines (collectively “Improvements”) in the Carpenter Urban Renewal Area; and

WHEREAS, construction of the Improvements is anticipated to be completed in late 2026 at an estimated total project cost of \$5.48 million, subject to receipt of the financial assistance identified below; and

WHEREAS, the City’s Office of Economic Development has negotiated an Urban Renewal Development Agreement (the “Development Agreement”) with the Developer, whereby the Developer has agreed to construct the Improvements, in accordance with the Conceptual Development Plan, which proposed Development Agreement and Conceptual Development Plan related thereto are on file in the office of the City Clerk; and

WHEREAS, the proposed Development Agreement provides that in consideration of the Developer’s commencement and completion of the Improvements the City will provide up to \$200,000 on a net present value basis at a 4.5% discount rate utilizing tax increment financing for the first nine years of the project.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Des Moines, Iowa, that:

1. The City Council hereby makes the following findings in support of the proposed Development Agreement with Developer:

- a. Developer's obligations under the Development Agreement to construct the Improvements further the objectives of the Carpenter Urban Renewal Plan to encourage and facilitate high quality commercial, mixed use and residential uses and the associated employment opportunities and slum and blight elimination within the Plan area; provide a diversity of housing options to accommodate residents of all ages, income levels, household sizes, and cultural backgrounds; preserve, maintain, and improve the existing inventory of multi-family housing; foster economic prosperity and stability by retaining existing businesses; further Des Moines’ revitalization efforts to improve the strength, stability, and vitality of the Project Area; and protect Des Moines’ historic and cultural assets that contribute to neighborhood and community identity.

- b. The economic development incentives for the development of the Project are provided by the City pursuant to the Urban Renewal Law and Chapter 15A of the Code of Iowa, and Developer's obligations under this Agreement to construct the Improvements will generate the following public gains and benefits: (i) it will encourage and assist with the redevelopment and/or removal of blighted, obsolete, and underutilized properties within the Project Area; (ii) it will facilitate the development and re-development of commercial, mixed use and residential uses for the creation and retention of jobs in the City of Des Moines; (iii) it will provide a diversity of housing options; increase the overall tax base; and (iv) it will maximize the return on past investment in road and public utility networks.
 - c. The construction of the Project is a speculative venture and the construction and the construction and resulting benefits would not occur without the economic incentives provided by the Development Agreement.
 - d. The development of the Property pursuant to the Development Agreement, and the fulfillment generally of the Agreement, are in the vital and best interests of City and the health, safety, morals, and welfare of its residents, and in accord with the public purposes and provisions of the applicable state and local laws and requirements under which the Project has been undertaken, and warrant the provision of the economic assistance set forth in the Agreement.
2. The Urban Renewal Development Agreement between the City and Developer, and the Conceptual Development Plan attached thereto, both as on file in the office of the City Clerk, are hereby approved, and the Mayor and City Clerk are hereby authorized and directed to execute and attest to, respectively, the Agreement on behalf of the City of Des Moines.
3. As soon as reasonably possible following execution by the Mayor and attestation by the City Clerk, the City Clerk is directed to submit a copy of the fully executed Development Agreement to the Finance Department to determine whether disclosure or filing is required for Electronic Municipal Market Access.
4. Upon requisition by the Office of Economic Development, the Finance Department shall advance the installments on the Economic Development Assistance pursuant to Article 4 of the Development Agreement.
5. The Development Services Director or designee(s) are hereby authorized and directed to administer the Development Agreement on behalf of the City, and to monitor compliance by the Developer with the terms and conditions of the Agreement. The Development Services Director is further directed to forward to City Council all matters and documents that require City Council review and approval in accordance with the Agreement.
